EXECUTION VERSION

CLASS ACTION SETTLEMENT AGREEMENT

This 9th day of October, 2015, Plaintiffs Leslie Frohberg and Nancy Harding, individually and on behalf of the Settlement Class Members, and Defendant Cumberland Packing Corp. hereby enter into this Class Action Settlement Agreement (“Agreement”). The Parties intend this Agreement to fully, finally, and forever resolve, discharge, and settle all claims and potential claims of any class members that relate to or arise from the allegations in the Complaints in this case and/or any labeling, advertising or marketing of Stevia In The Raw.

I. RECITALS

1.1 On July 8, 2013, Plaintiffs’ Counsel sent a letter and draft complaint to Cumberland on behalf of Plaintiff Nancy Harding. The letter and draft complaint alleged Cumberland represented that the Stevia in the Raw Consumer Products were “natural” through labeling, marketing, and advertising and that the Stevia in the Raw Consumer Products were not, in fact, natural because they contained non-natural and/or synthetic ingredients. The letter and draft complaint alleged the stevia leaf extract within the Stevia in the Raw Consumer Products was so highly processed that no reasonable consumer would deem it natural and that the dextrose and maltodextrin in the Stevia in the Raw Products were highly processed and derived from genetically modified corn, neither of which reasonable consumers would deem to be natural. The letter and draft complaint set out claims against Cumberland for violation of Minnesota’s Prevention of Consumer Fraud Act, Minn. Stat. § 325F.68 *et seq.*, Unlawful Trade Practices Act, Minn. Stat. § 325D.09 *et seq.*, Uniform Deceptive Trade Practices Act, Minn. Stat. § 325D.43 *et seq.*, and False Statement in Advertisement Act, Minn. Stat. § 325F.67, breach of express warranty under the laws of 44 states, and unjust enrichment, on behalf of Ms. Harding and putative Minnesota and nationwide classes of similarly situated consumers.

1.2 Plaintiffs Leslie Frohberg and Nancy Harding originally filed the Action in the United States District Court for the Eastern District of New York on February 3, 2014, challenging the labeling, marketing, and advertising of Cumberland's Stevia in the Raw Consumer Products. The original complaint alleged Cumberland falsely and deceptively represented the Stevia in the Raw Consumer Products as "natural" when they, in fact, contained non-natural ingredients. The original complaint alleged that the ingredients dextrose and maltodextrin were highly processed and contained genetically modified ingredients and, as a result, were unnatural, and that these ingredients constituted the bulk of the Stevia in the Raw Consumer Products. The original complaint also alleged the stevia leaf extract in the Stevia in the Raw Consumer Products was highly processed and/or synthetic. Plaintiffs brought claims on behalf of New York, Minnesota, and nationwide classes for violation of sections 349 and 350 of New York's Consumer Protection for Deceptive Acts and Practices Law, N.Y. Gen. Bus. Law § 349 *et seq.*, violation of Minnesota's Prevention of Consumer Fraud Act, Minn. Stat. § 325F.68 *et seq.*, Unlawful Trade Practices Act, Minn. Stat. § 325D.09 *et seq.*, Uniform Deceptive Trade Practices Act, Minn. Stat. § 325D.43 *et seq.*, and False Statement in Advertisement Act, Minn. Stat. § 325F.67, breach of express warranty under the laws of 44 states, and unjust enrichment.

1.3 Cumberland and Plaintiff's Counsel mediated the claims in Plaintiff's Complaint on December 11, 2013, before David Geronemus, Esquire, of JAMS, in New York, York. As part of the mediation process, Plaintiffs' Counsel obtained information and documents from Cumberland through confidential, pre-mediation discovery, including information concerning marketing, label design, product formulation, and sales information for the Stevia in the Raw Consumer Products. The Parties reached an impasse in their negotiations and did not settle the Action at this time.

1.4 From December 2013 through May 2014, Cumberland and Plaintiffs' Counsel continued hard-fought negotiations for a settlement agreement with an in-person meeting, phone conferences, written exchanges of information, and additional informal discovery.

1.5 On June 13, 2014, the Parties attended a settlement conference with Magistrate Judge Roanne L. Mann. The Court made a settlement proposal to the Parties, which was not accepted by the Court's deadline of June 16, 2014.

1.6 Plaintiff Nancy Harding voluntarily dismissed her claims in the Action without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(1)(A)(i) on June 23, 2014. (Notice Voluntary Dismissal Pl. Harding, ECF No. 22.)

1.7 Plaintiff Leslie Frohberg filed an Amended Complaint on June 23, 2014. (Am. Compl., ECF No. 23.) The Amended Complaint made allegations similar to the original Complaint, and alleged violations of sections 349 and 350 of New York's Consumer Protection for Deceptive Acts and Practices Law, N.Y. Gen. Bus. Law § 349 *et seq.*, breach of express warranty under the laws of 44 states, negligent misrepresentation, fraud, and unjust enrichment. Plaintiff seeks injunctive and monetary relief on behalf of herself and the putative classes.

1.8 The Parties continued discussing possible resolution of this matter, while litigating the merits of the claims. A fully briefed Motion to Dismiss the Amended Complaint was filed with the Court on December 17, 2014. As a result of continued settlement discussions, the Parties requested a stay on the ruling of the Motion to Dismiss on June 18, 2015.

1.9 After approximately one-and-a-half years of hard-fought negotiations, the Parties were able to reach this Settlement.

1.10 In response to this Action, Cumberland has removed the natural claim from the packaging and labeling of its Stevia In The Raw Products.

1.11 In accordance with this Settlement Agreement, Plaintiffs will file a Second Amended Complaint on behalf of New York, Minnesota, and nationwide classes for violation of sections 349 and 350 of New York's Consumer Protection for Deceptive Acts and Practices Law, N.Y. Gen. Bus. Law § 349 *et seq.*, violation of Minnesota's Prevention of Consumer Fraud Act, Minn. Stat. § 325F.68 *et seq.*, Unlawful Trade Practices Act, Minn. Stat. § 325D.09 *et seq.*, Uniform Deceptive Trade Practices Act, Minn. Stat. § 325D.43 *et seq.*, and False Statement in Advertisement Act, Minn. Stat. § 325F.67, breach of express warranty under the laws of 44 states, and unjust enrichment.

1.12 Before entering into this Settlement Agreement, Plaintiff's Counsel conducted an extensive and thorough examination, investigation, and evaluation of the relevant law, facts, and allegations to assess the merits of the claims, potential claims, and potential defenses asserted in the Action. As part of that investigation, Plaintiff's Counsel obtained pre-mediation discovery, including information concerning marketing, label design, product formulation, and sales information for the Stevia in the Raw Consumer Products and obtained significant information in discovery regarding Cumberland's marketing of the Products.

1.13 The Action has not been certified as a class action. Subject to the approval of the Court, the Parties agree that a class may be conditionally certified for purposes of this Settlement. Cumberland agrees to class action treatment of the claims alleged in the Action solely for the purpose of compromising and settling those claims on a class basis as set forth herein.

1.14 Plaintiffs, as proposed Settlement Class representatives, believe the claims settled herein have merit. Plaintiffs and Class Counsel recognize, however, the litigation risk involved, including the expense and length of continued proceedings necessary to prosecute the claims

through trial and any appeals, and they have taken into account those factors, as well as the litigation's inherent difficulties and delays. They believe the Settlement confers substantial benefits upon the Settlement Class Members. They have evaluated the Settlement and have determined it is fair, reasonable, adequate to resolve Plaintiffs' grievances and is in the best interest of the Settlement Class Members.

1.15 Cumberland has denied, and continues to deny, that its marketing, advertising, and/or labeling of the Stevia in the Raw Consumer Products is false, deceptive, or misleading to consumers or violates any legal requirement. Cumberland's willingness to resolve the Action on the terms and conditions embodied in this Agreement is based on, *inter alia*: (i) the time and expense associated with litigating this Action through trial and any appeals; (ii) the benefits of resolving the Action, including limiting further expense, inconvenience, and distraction, disposing of burdensome litigation, and permitting Cumberland to conduct its business unhampered by the distractions of continued litigation; and (iii) the uncertainty and risk inherent in any litigation, regardless of legal merit.

1.16 This Agreement and any negotiations, proceedings, or documents related to this Agreement, its implementation, or its judicial approval cannot be asserted or used by any person to support a contention that class certification is proper or that liability does or does not exist, or for any other reason, in the Action or in any other proceedings, provided, however, that Settlement Class Members, Class Counsel, Cumberland, other related persons, and any person or entity that is a beneficiary of the Releases set forth in Section VII below, may reference and file this Agreement and any resulting Order and Final Judgment with the Court or any other tribunal or proceeding in connection with the implementation or enforcement of the Agreement's terms (including but not limited to the releases granted herein or any dispute related hereto).

THEREFORE, in consideration of the mutual promises and covenants contained herein and of the releases and dismissals of the claims described below, the Parties agree to this Settlement, subject to the final approval of the Court, upon the following terms and conditions set forth in this Class Action Settlement Agreement.

4.3 **Administration.** The Parties agree to appoint the Settlement Administrator as escrow agent for the purpose of creating and administering the Escrow Account and the monies deposited therein in accordance with the terms of the Settlement Agreement and the Escrow Agreement.

(a) Within 20 calendar days of the issuance of the Preliminary Approval Order, Cumberland will make an initial payment of \$210,000 into the Escrow Account with the Depository Bank, pursuant to the terms of the Escrow Agreement. Up to the entirety of this \$210,000 initial payment amount shall be used to pay the costs and fees of the Settlement Claims Administrator as indicated in Subparagraph 4.1(a), with any portion of the \$210,000 initial payment that is not needed to pay these costs to be credited as a payment toward the payment of valid and approved Claims. If the Effective Date does not occur for any reason, any remainder of this payment shall be returned to Cumberland.

(b) The Settlement Administrator shall pay from the Escrow Account awards to Claimants for timely, valid, and approved Claims and all costs associated with the Settlement

Administration and Notice Payment. The Settlement Administrator shall invoice all costs associated with the Settlement Administration and Notice Payment and pay all such costs promptly from the funds deposited into the Escrow Account after review and approval by Class Counsel and Cumberland.

(c) The Settlement Administrator shall be responsible for obtaining a Federal Tax Identification Number, preparing the necessary tax returns for the Escrow Account, if applicable, and paying from the Escrow Account any applicable taxes due on income generated in the Escrow Account. Neither Cumberland nor Cumberland's Counsel, Plaintiffs, or Plaintiffs' Counsel shall have any responsibility for, or liability whatsoever with respect to, the investment, allocation, or distribution of the Escrow Account, the processing of claims, or any loss incurred by the Settlement Administrator or the Depository Bank in connection therewith.

4.4 **Eligibility and Process for Obtaining a Cash Payment**

To be eligible for a cash payment, a Settlement Class Member must submit a timely and valid Claim Form, which will be evaluated by the Settlement Administrator.

(a) **Claim Form Availability.** The Claim Form shall be in a form substantially similar to the form attached as Exhibit A. The Claim Form will be: (i) included on the Settlement Website to be designed and administered by the Settlement Administrator (ii) made readily available from the Settlement Administrator, including by requesting a Claim Form from the Settlement Administrator by mail, e-mail, or calling a toll-free number provided by the Settlement Administrator, and (iii) mailed to those individuals who have directly bought the Stevia in the Raw Consumer Products directly from Defendant. The Claim Form will be available for downloading on Class Counsel's website, at Class Counsel's option.

(b) **Timely Claim Forms.** Settlement Class Members must submit a timely

Claim Form, which is one postmarked or submitted online before or on the last day of the Claim Period, the specific date of which will be prominently displayed on the Claim Form and Class Notice. For a non-online Claim Form, the Claim Form will be deemed to have been submitted on the date of the postmark on the envelope or mailer. For an online Claim Form and in all other cases, the Claim Form will be deemed to have been submitted on the date it is received by the Settlement Administrator.

(c) **Validity of Claim Forms.** Settlement Class Members must submit a valid Claim Form, which must contain the Settlement Class Member's name and mailing address, attestation of purchase(s) as described in 4.4(d), type(s) of Stevia in the Raw Consumer Products purchased, and estimated dates and location(s) of each purchase. On the Claim Form, Settlement Class Members must include the estimated number of Stevia in the Raw Consumer Products purchased. Subject to Section 4.4(g) herein, Claim Forms that do not meet the requirements set forth in this Agreement and in the Claim Form instructions may be rejected. The Settlement Administrator will determine a Claim Form's validity. Where a good faith basis exists, the Settlement Administrator may reject a Settlement Class Member's Claim Form for, among other reasons, the following:

(i) Failure to attest to the purchase of the Stevia in the Raw Consumer Products, or purchase of products that are not covered by the terms of this Settlement Agreement;

(ii) Failure to provide adequate verification or additional information of the Claim pursuant to a request of the Settlement Administrator;

(iii) Failure to fully complete and/or sign the Claim Form;

(iv) Failure to submit a legible Claim Form;

(v) Submission of a fraudulent Claim Form;

(vi) Submission of Claim Form that is duplicative of another Claim Form;

(vii) Submission of Claim Form by a person who is not a Settlement Class Member;

(viii) Request by person submitting the Claim Form to pay funds to a person or entity that is not the Settlement Class Member for whom the Claim Form is submitted;

(ix) Failure to submit a Claim Form by the end of the Claim Period; or

(x) Failure to otherwise meet the requirements of this Agreement.

(d) **Attestation of Purchase Under Penalty of Perjury Required.** Because the claims process will not require proof of purchase, each Settlement Class Member shall sign and submit a Claim Form that states to the best of his or her knowledge the total number and type of purchased Stevia in the Raw Consumer Products, and dates and location of each purchase. The Claim Form shall be signed under an affirmation stating the following or substantially similar language: “I declare, under penalty of perjury, that the information in this Claim Form is true and correct to the best of my knowledge, and that I purchased the Stevia in the Raw Consumer Product(s) claimed above between October 9, 2009 and July 1, 2014, for personal or household use and not for resale. I understand that my Claim Form may be subject to audit, verification, and Court review.”

(e) **Verification of Purchase May be Required.** The Claim Form shall advise Settlement Class Members that while proof of purchase is not required to submit a Claim, the Settlement Administrator has the right to request verification or more information regarding the purchase of the Stevia in the Raw Consumer Products for the purpose of preventing fraud. If the Settlement Class Member does not timely comply or is unable to produce documents or

additional information to substantiate the information on the Claim Form and the Claim is otherwise not approved, the Settlement Administrator may disqualify the Claim.

(f) **Claim Form Submission and Review.** Claimants may submit a Claim Form either by mail or electronically. The Settlement Administrator shall review and process the Claim Forms pursuant to the process described in this Agreement to determine each Claim Form's validity. Adequate and customary procedures and standards will be used by the Settlement Administrator to prevent the payment of fraudulent claims and to pay only legitimate claims. The Parties shall take all reasonable steps, and direct the Settlement Administrator to take all reasonable steps, to ensure that Claim Forms completed and signed electronically by Settlement Class Members conform to the requirements of the federal Electronic Signatures Act, 15 U.S.C. § 7001, *et seq.*

(g) **Claim Form Deficiencies.** Failure to provide all information requested on the Claim Form will not result in immediate denial or nonpayment of a claim. Instead, the Settlement Administrator will take all adequate and customary steps to attempt to cure the defect and to determine the Settlement Class Member's eligibility for payment and the amount of payment based on the information contained in the Claim Form or otherwise submitted, including but not limited to attempting to follow up with the Claimant to gather additional information if necessary. If the Claim Form defect cannot be cured, the Claim will be rejected.

(h) **Failure to Submit Claim Form.** Unless a Settlement Class Member opts out pursuant to Section VI, any Settlement Class Member who fails to submit a timely and valid Claim Form shall be forever barred from receiving any payment pursuant to this Agreement, and shall in all other respects be bound by all of the terms of this Agreement and the terms of the Order and Final Judgment to be entered in the Action. Based on the Release contained in the

Agreement, any Settlement Class Member who does not opt out will be barred from bringing any action in any forum (state or federal) against any of the Released Parties concerning any of the matters subject to the Release.

4.5 Submission of Claims to the Class Action Settlement Administrator

(a) A Settlement Class Member shall be eligible for monetary relief provided that the Settlement Class Member:

(i) purchased one or more Stevia in the Raw Consumer Products during the Class Period;

(ii) completes and timely submits the Claim Form during the Claim Period to the Settlement Administrator; and

(iii) does not opt out from the Settlement Agreement.

(b) Each Settlement Class Member who purchased one or more Stevia in the Raw Consumer Products during the Class Period shall be entitled to submit a Claim in either hard copy or electronically to the Settlement Administrator during the Claim Period. The payment for each purchase of one of the Stevia in the Raw Consumer Products shall be up to two dollars subject to the adjustments and other procedures discussed in the Settlement Agreement. No Claimant may submit more than one Claim for purchase of one of the Stevia in the Raw Consumer Products for which the Claimant is seeking payment from monies in the Escrow Account that are a part of the Settlement Fund. Claimants may seek reimbursement for purchases of up to a maximum of eight packages of the Stevia in the Raw Consumer Products (*i.e.*, a maximum of \$16 per Claimant). Proof of purchase is not required.

4.6 Claim Form Review

(a) Pursuant to the terms of the Settlement Agreement, the Settlement

Administrator shall reject Claim Forms that do not meet the requirements set forth in the Agreement, regardless of whether the Claimant submitted the Claim Form electronically via the Settlement Website or in hard copy via United States Mail. The Settlement Administrator shall administer the process of receiving, handling, processing, rejecting (if warranted), and/or paying Claims in addition to the other duties identified in the Settlement Agreement and those that are usual and customary in class action settlement administration. Cumberland has the right to waive any of the Claim Form requirements set forth above.

(b) The Settlement Administrator shall have the authority to determine whether registration by any Settlement Class Member is complete and timely. The Settlement Administrator's determinations in this regard shall be final and shall not be appealable by any Party or by any Settlement Class Member.

(c) The Settlement Administrator shall notify, in a timely fashion, any Claimant whose Claim has been rejected and set forth the reasons therefor. The Settlement Administrator shall timely provide copies of all rejection notices to Class Counsel and Defense Counsel.

(d) Any Settlement Class Member whose claim is rejected in its entirety shall be barred from receiving any payment under the Settlement Agreement, but shall in all other respects be bound by the terms of the Settlement Agreement and by the Order and Final Judgment entered in the Action, unless such Settlement Class Member has submitted a timely request to opt out pursuant to Paragraph 6.3 of this Agreement. Similarly, any Settlement Class Member whose Claim is approved in part and rejected in part shall be barred for that portion of the Claim that is rejected from receiving any payment under the Settlement Agreement, but shall in all other respects be bound by the terms of the Settlement Agreement and by the Order and

Final Judgment entered in the Action, unless such Settlement Class Member has submitted a timely request to opt out pursuant to Paragraph 6.3 of this Agreement.

(e) The Settlement Administrator shall exercise, in its reasonable discretion, all usual and customary steps to prevent fraud and abuse and take any reasonable steps to prevent fraud and abuse in the Claims process. The Settlement Administrator may, in its discretion, deny in whole or in part any Claim to prevent actual or possible fraud or abuse.

(f) The Settlement Administrator shall identify any Claims that appear to seek relief on behalf of the same Claimant. The Settlement Administrator shall determine whether there is any duplication of Claims. The Settlement Administrator shall designate any such duplicative claims as rejected Claims to the extent they seek payment for the same purchases of the Stevia in the Raw Consumer Products.

(g) No person shall have any claim against Cumberland, Plaintiffs, the Settlement Class, Class Counsel, Defense Counsel, or the Settlement Administrator based on any eligibility determinations made in accordance with the Settlement Agreement.

4.7 **Payment of Claims**

(a) Within 30 calendar days after the occurrence of the Effective Date or within 30 calendar days of the last day of the Claim Period, whichever is later, the Settlement Administrator will provide to Class Counsel and Cumberland a detailed statement of the costs that will be incurred in generating and disbursing checks to Claimants. Within 14 calendar days of the deadline in the prior sentence and subject to Cumberland's approval and Class Counsel's approval, the Settlement Administrator shall request that Cumberland deposit funds into the Escrow Account in the amount necessary to pay timely, valid, and approved Claims plus any remaining amount owed to complete the Settlement Administration and Notice Payment, and

Cumberland shall have 30 calendar days to fund the Escrow Account with the amount requested by the Settlement Administrator.

(b) Unless the Court orders otherwise, the Settlement Administrator shall distribute funds from the Escrow Account to Settlement Class Members who timely returned a complete Claim Form that has been verified and approved for payment by the Settlement Administrator within 120 calendar days of the last day of the Claim Period, provided, however, that this provision can be triggered no earlier than 45 calendar days from the occurrence of the Effective Date, subject to any adjustments discussed in the Settlement Agreement.

(c) **Insufficient Funds in the Settlement Fund.** If the total amount of the timely, valid, and approved Claims submitted by Settlement Class Members exceeds the available relief, considering any fees, payments, and costs set forth in this Agreement that must also be paid from the Settlement Fund, each eligible Settlement Class Member's Claim shall be proportionately reduced on a *pro rata* basis, such that the aggregate value of the payments does not exceed \$880,000. The Settlement Administrator shall determine each authorized Settlement Class member's *pro rata* share based upon each Settlement Class Member's Claim Form and the total number of valid Claims. Accordingly, the actual amount recovered by each Settlement Class Member will not be determined until after the Claim Period has ended and all Claims have been calculated.

V. NOTICE TO CLASS AND ADMINISTRATION OF PROPOSED SETTLEMENT

5.1 Duties and Responsibilities of the Settlement Administrator

Class Counsel and Cumberland recommend and retain Dahl Administration, LLC, to be the Settlement Administrator for this Agreement. The Settlement Administrator shall abide by, and shall administer, the Settlement in accordance with the terms, conditions, and obligations of

this Agreement and the orders the Court has issued, or will issue, in the Action.

(a) **Class Notice Duties.** The Settlement Administrator shall, in cooperation with the Parties, be responsible for consulting on and designing the Class Notice, Summary Class Notice, and Claim Form. After the Court's Preliminary Approval of this Agreement and appointment of the Settlement Administrator, the Settlement Administrator shall also be responsible for disseminating the Class Notice and Summary Class Notice, substantially in the form described in the Notice Plan attached as Exhibit C to this Agreement, specified in the Preliminary Approval Order, and specified in this Agreement. The Class Notice and Summary Class Notice will comply with all applicable laws, including but not limited to the Due Process Clauses of the Fifth and Fourteenth Amendments to the United States Constitution. Class Notice duties include but are not limited to:

(i) consulting on, drafting, and designing the Class Notice, Summary Class Notice, and Claim Form. Class Counsel and Cumberland's Counsel shall have input and joint approval rights, which neither Class Counsel nor Cumberland's Counsel shall unreasonably withhold, over the Class Notice, Summary Class Notice, and Claim Form or any changes to the Class Notice, Summary Class Notice, or Claim Form;

(ii) developing the Notice Plan. Class Counsel and Cumberland's Counsel shall have input and joint approval rights, which neither Class Counsel nor Cumberland's Counsel shall unreasonably withhold, over the Notice Plan and changes to the Notice Plan;

(iii) implementing and arranging for the publication of the Summary Settlement Notice and Class Notice via various forms of paper and electronic media, including implementing media purchases, all in substantial accordance with the Notice Plan. To the extent

the Settlement Administrator believes additional or different notice should be undertaken than the notice for which the Notice Plan provides, Class Counsel and Cumberland's Counsel shall have input and joint approval rights, which neither Class Counsel nor Cumberland's Counsel shall unreasonably withhold, over any additional or different notice;

(iv) establishing and publishing the Settlement Website (*see supra* ¶ 2.49);

(v) sending the Class Notice and related documents, including a Claim Form, via electronic mail or regular mail to any potential Settlement Class Member who so requests and sending such Class Notice and documents to the list of direct consumers that Cumberland will provide;

(vi) responding to requests from Class Counsel and Cumberland's Counsel; and

(vii) otherwise implementing and assisting with the dissemination of the notice of the Settlement.

(b) **Duties under Class Action Fairness Act to Provide Notice to Federal and State Officials.** No later than 10 calendar days after this Agreement is filed with the Court, Cumberland shall mail or cause the items specified in 28 U.S.C. § 1715(b) to be mailed to appropriate Federal and State officials as specified in 28 U.S.C. § 1715(a).

(c) **Claims Process Duties.** The Settlement Administrator shall be responsible for implementing the terms of the Claims process and related administrative activities, including communications with Settlement Class Members concerning the Settlement, the Claims process, and the options they have. Claims process duties include but are not limited to:

(i) executing any mailings required under the terms of this Agreement;

(ii) establishing a toll-free voice response unit to which Settlement Class Members may refer for information about the Action and the Settlement;

(iii) establishing a United States Post Office box for the receipt of each Claim Form, exclusion request, and any correspondence;

(iv) receiving and maintaining on behalf of the Court all correspondence from any Settlement Class Member regarding the Settlement, and forwarding inquiries from Settlement Class Members to Class Counsel or their designee for a response, if warranted; and

(v) receiving and maintaining on behalf of the Court any Settlement Class Member correspondence regarding any opt-out requests, exclusion forms, or other requests for exclusion from the Settlement, and providing to Class Counsel and Cumberland's Counsel a copy within five calendar days of receipt. If the Settlement Administrator receives any such forms or requests after the deadline for the submission of such forms and requests, the Settlement Administrator shall promptly provide Class Counsel and Cumberland's Counsel with copies.

(d) **Claims Review Duties.** The Settlement Administrator shall be responsible for reviewing and approving each submitted Claim Form in accordance with this Agreement. Claims review duties include but are not limited to:

(i) reviewing each Claim Form submitted to determine whether the Claim Form meets the requirements set forth in this Agreement and whether it should be approved, including determining whether a Claim by any Settlement Class Member is timely, complete, and valid;

(ii) working with Settlement Class Members who submit timely Claims to try to cure any Claim Form deficiencies;

(iii) using all reasonable efforts and means to identify and reject duplicate and/or fraudulent Claims, including but not limited to maintaining a database of all Claim Form submissions;

(iv) keeping an accurate and updated accounting via a database of the number of Claim Form submissions received, the amount claimed on each Claim Form, the name and address of the Settlement Class Member who made the Claim, whether the Claim has any deficiencies, and whether the Claim has been approved as timely and valid; and

(v) otherwise implementing and assisting with the Claim review process and payment of the Claims, pursuant to the terms and conditions of this Agreement.

(e) **Periodic Updates.** The Settlement Administrator shall provide periodic updates to Class Counsel and Cumberland's Counsel regarding Claim Form submissions beginning within seven calendar days after the commencement of the dissemination of the Class Notice or the Summary Settlement Notice, whichever is earlier, and continuing on a monthly basis thereafter, and shall provide such an update within seven calendar days before the Final Approval Hearing. The Settlement Administrator shall also provide updates to Class Counsel or Cumberland's Counsel upon request, within a reasonable amount of time.

(f) **Claims Payment Duties.** The Settlement Administrator shall be responsible for sending payments to all eligible Settlement Class Members with valid, timely, and approved Claims pursuant to the terms and conditions of this Agreement. Claim payment duties include but are not limited to:

(i) providing, within 30 calendar days after the occurrence of the

Effective Date or within 30 calendar days of the last day of the Claim Period, whichever is later, to Class Counsel and Cumberland a detailed statement of the costs that will be incurred in generating and disbursing checks to Claimants;

(ii) sending, pursuant to Paragraph 4.2 and after the Settlement Fund has been funded, checks to Settlement Claim Members who submitted a Claim Form that was timely, valid, and approved; and

(iii) providing, once payments have commenced to the Settlement Class pursuant to the terms and conditions of this Agreement, a regular accounting to Class Counsel and Cumberland's Counsel that includes but is not limited to the number and amount of Claims paid.

(g) **Reporting to Court.** Not later than 10 calendar days before the date of the Fairness Hearing, the Notice Administrator shall file a declaration or affidavit with the Court that:

(i) includes a list of the persons who have opted out or excluded themselves from the Settlement; and

(ii) describes the scope, methods, and results of the notice program.

(h) **Duty of Confidentiality.** The Settlement Administrator shall treat any and all documents, communications, and other information and materials received in connection with the administration of the Settlement as confidential and shall not disclose any or all such documents, communications, or other information or materials to any person or entity, except to the Parties or as provided in this Agreement or by Court Order.

(i) **Right to Inspect.** Class Counsel and Cumberland's Counsel shall have the right to inspect any and all Claim Form submission and supporting documentation received by

the Settlement Administrator at any time upon reasonable notice.

(j) **Failure to Perform.** If the Settlement Administrator misappropriates any funds from the administration or settlement funds or makes a material or fraudulent misrepresentation to, or conceals requested material information from, Class Counsel, Cumberland, or Cumberland's Counsel, then the Party who discovers the misappropriation or concealment or to whom the misrepresentation was made shall, in addition to any other appropriate relief, have the right to demand that the Settlement Administrator immediately be replaced. If the Settlement Administrator fails to perform adequately on behalf of the Parties, the Parties may agree to remove the Settlement Administrator. Neither Party shall unreasonably withhold consent to remove the Settlement Administrator. The Parties will attempt to resolve any disputes regarding the retention or dismissal of the Settlement Administrator in good faith. If unable to so resolve a dispute, the Parties will refer the matter to the Court for resolution.

VI. OBJECTIONS AND REQUESTS FOR EXCLUSION

6.1 A Settlement Class Member may object to this Agreement pursuant to Paragraph 6.2 or request exclusion from this Agreement pursuant to Paragraph 6.3.

6.2 **Objections.** Settlement Class Members shall have the right to object to this Settlement and to appear and show cause, if they have any reason why the Court should not give final approval to the terms of this Agreement and must do so no later than 30 calendar days before the Final Approval Hearing, or such other date as the Court may order (the Objection Deadline) pursuant to this paragraph, in accordance with the provisions of this Paragraph set forth below:

(a) A Settlement Class Member may object to this Agreement either on his or her own without an attorney, or through an attorney hired at his or her own expense;

(b) Any objection to this Agreement must be in writing, signed by the Settlement Class Member (and his or her attorney, if individually represented), filed with the Court, with a copy delivered to Class Counsel and Defendant's Counsel at the addresses set forth in the Class Notice, no later than 30 days before the Final Approval Hearing;

(c) The name, address, telephone number, and, if available, the email address of the Person objecting, and if represented by counsel, of his/her counsel, including any former or current counsel who may be entitled to compensation for any reason related to the objection;

(d) Specifically and in writing, all objections, accompanied by any legal support known to the objecting Class Member or his or her counsel;

(e) Whether he/she intends to appear at the Final Approval Hearing, either with or without counsel;

(f) A statement of his/her membership in the Settlement Class, including all information required by the Claim Form; and

(g) A detailed list of any other objections submitted by the Settlement Class Member, or his/her counsel, to any class actions submitted in any court, whether state or otherwise, in the United States in the previous five (5) years. If the Settlement Class Member or his/her counsel has not objected to any other class action settlement in any court in the United States in the previous five (5) years, he/she shall affirmatively state so in the written materials provided in connection with the Objection to this Settlement.

(h) Any objection regarding or related to this Agreement shall contain a caption or title that identifies it as an "Objection to the Class Action Settlement Agreement in *Frohberg v. Cumberland Packing Corp.*, No. 1:14-cv-00748-KAM-RLM (E.D.N.Y.)."

(i) Any objection regarding or related to this Agreement shall contain

information sufficient to identify and contact the objecting Settlement Class Member (or his or her individually-hired attorney, if any), as well as a clear and concise statement of the Settlement Class Member's objection, the facts supporting the objection, and the legal grounds on which Settlement Class Member (and/or his or her individually-hired attorney, if any) bases the objection.

(j) Any objection shall include documents sufficient to establish the basis for the objector's standing as a Settlement Class Member, such as (i) a declaration signed by the objector under penalty of perjury, with language similar to that included in the Claim Form attached as Exhibit A, that the Settlement Class Member purchased at least one of the Stevia in the Raw Consumer Products during the Class Period or (ii) receipt(s) reflecting such purchase(s).

(k) Class Counsel and Cumberland shall have the right to respond to any objection no later than seven calendar days prior to the Fairness Hearing. The Party responding shall file a copy of the response with the Court and shall serve a copy by regular mail, hand delivery, or overnight delivery to the objecting Settlement Class Member (or to the individually-hired attorney for the objecting Settlement Class Member, if any), to all Class Counsel, and to Cumberland's Counsel.

(l) If an objecting Settlement Class Member chooses to appear at the Fairness Hearing, no later than 15 calendar days before the Fairness Hearing, the Settlement Class Member must file a "Notice of Intention to Appear, either In Person or Through an Attorney" with the Court. The "Notice of Intention to Appear, either In Person or Through an Attorney" must list the name, address, and telephone number of the attorney, if any, who will appear.

6.3 Requests for Exclusion. Settlement Class Members shall have the right to elect to exclude themselves (*i.e.*, opt out) of the monetary portion of this Agreement, relinquishing

their rights to cash payments under this Agreement and preserving their claims for damages that accrued during the Class Period, in accordance with the provisions of this Paragraph set forth below:

(a) A Settlement Class Member wishing to opt out of this Agreement must send to the Settlement Administrator by United States Mail a personally-signed letter including his or her name and address and providing a clear statement communicating that he or she elects to be excluded from the Settlement Class. A request for exclusion shall be null and void, and shall not effectuate an exclusion from the Settlement Class, unless the Settlement Class Member requesting exclusion has personally signed the request for exclusion.

(b) Any request for exclusion must be postmarked on or before the opt-out deadline date specified in the Preliminary Approval Order. The date of the postmark on the return-mailing envelope shall be the exclusive means used to determine whether a request for exclusion has been timely submitted.

(c) The Settlement Administrator shall forward copies of any written requests for exclusion to Class Counsel and Cumberland's Counsel and shall file a list reflecting all requests for exclusion with the Court no later than 10 calendar days before the Final Approval Hearing.

(a) Any Settlement Class Member who does not file a timely written request for exclusion as provided in the preceding Paragraph 6.3 shall be bound by all subsequent proceedings, orders, and judgments (including but not limited to the Releases set forth in Section VII below) in this Action, even if he or she has litigation pending or subsequently initiates litigation against Cumberland relating to the claims and transactions released in this Action.

(b) Any Settlement Class Member who does not request exclusion from the

Settlement has the right to object to the Settlement. Settlement Class Members may not both object and opt out of the Settlement. Any Settlement Class Member who wishes to object must timely submit an objection as set forth in Paragraph 6.2 above. If a Settlement Class Member submits both an objection and a written request for exclusion, he or she shall be deemed to have complied with the terms of the procedure for requesting exclusion set forth in Paragraph 6.3 and shall not be bound by the Agreement (if approved by the Court), and the Court will not consider the objection.

VII. RELEASES

7.1 Upon the Effective Date of this Class Action Settlement Agreement, Plaintiffs and each member of the Settlement Class, and each of their respective successors, assigns, legatees, heirs, and personal representatives, shall be deemed to have, and by operation of the Order and Final Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Claims against the Released Persons. The Released Claims shall be construed as broadly as possible to effect complete finality over this litigation involving the advertising, labeling, and marketing of the Stevia in the Raw Consumer Products as set forth herein.

7.2 In addition, with respect to the subject matter of the Action, by operation of entry of the Order and Final Judgment, Plaintiffs and each member of the Settlement Class, and each of their respective successors, assigns, legatees, heirs, and personal representatives, expressly waive any and all rights or benefits they may now have, or in the future may have, under any law relating to the releases of unknown claims, including but not limited to section 1542 of the California Civil Code, which provides:

A General Release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

In addition to the foregoing, by operation of entry of the Order and Final Judgment, Plaintiffs and each member of the Settlement Class shall be deemed to have waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or any foreign country, and any and all principles of common law that are similar, comparable, or equivalent in substance or intent to section 1542 of the California Civil Code.

7.3 Plaintiffs fully understand that the facts upon which the Parties have executed this Class Action Settlement Agreement may hereafter be other than or different from the facts that Plaintiffs and Class Counsel now believe to be true, and Plaintiffs nevertheless agree this Class Action Settlement Agreement shall remain effective notwithstanding any such difference in facts.

7.4 Upon the Effective Date, Defendant shall forever release and discharge all claims that could have been brought or are ever brought in the future by Defendant against Plaintiffs, in their individual capacity and as Class Representatives, against Settlement Class Members, and against Class Counsel (including known and unknown claims) in any forum in the United States (including their territories and Puerto Rico), whether known or unknown, asserted or unasserted, under or pursuant to any statute, regulation or common law, that arise out of or relate in any way to the institution, prosecution or settlement of the Claims against Defendant, except for claims relating to the enforcement of this Settlement Agreement.

7.5 Defendant agrees that the Actions were filed and litigated in compliance with Fed. R. Civ. P. 11.

7.6 To the extent the law permits, this Agreement may be pled as a full and complete defense to, and may be used as the basis for an injunction against, any action, suit, or other proceeding that may be instituted, prosecuted, or attempted in breach of or contrary to this

Agreement, including but not limited to any Related Actions.

VIII. ATTORNEYS' FEES AND EXPENSES AND CLASS REPRESENTATIVE INCENTIVE AWARDS

8.1 Class Counsel agrees to make, and Cumberland agrees not to oppose, an application for an award of Attorneys' Fees and Expenses in the Action that will not exceed an amount equal to \$450,000. This shall be the sole aggregate compensation that Cumberland will pay Class Counsel for representing the Settlement Class. The Court shall determine the amount of the ultimate award of Attorneys' Fees and Expenses.

8.2 Cumberland agrees to wire to an account designated by Class Counsel any Court approved Attorneys' Fees and Expenses within ten days of the Effective Date. The Parties also agree that the final order regarding Attorneys' Fees and Expenses submitted to the Court for approval shall state that the maximum amount for which Cumberland will be liable to all Plaintiff's Counsel in the Action is the amount approved by the Court, not to exceed \$450,000.

8.3 Class Counsel agrees that any award of Attorneys' Fees and Expenses will be sought solely and exclusively in the Action. Class Counsel agrees that Class Counsel will not seek or accept more than \$450,000 in Attorneys' Fees and Expenses.

8.4 Cumberland will not appeal from any order with respect to the award of Attorneys' Fees and Expenses provided that the order does not award Attorneys' Fees and Expenses in excess of \$450,000. Cumberland shall have the right to appeal in the event of an award of Attorneys' Fees and Expenses in excess of \$450,000. Cumberland shall also have the right to withdraw from the Settlement in the event of an award of Attorneys' Fees and Expenses in excess of \$450,000.

8.5 Class Counsel will apply to the Court for an Incentive Award for each Plaintiffs in an amount of \$3,500 each (for a total amount of \$7,000) to compensate Plaintiffs for their efforts

in bringing the Action and achieving the benefits of this Agreement. Class Counsel shall not request any incentive awards above this amount. Cumberland will not object to the request so long as it does not exceed a total of \$7,000.

8.6 Within 10 calendar days after the Effective Date, pursuant to Court approval, Cumberland shall pay into the Escrow Account Incentive Awards of \$3,500 to Plaintiff Leslie Frohberg and \$3,500 to Plaintiff Nancy Harding.

IX. NO ADMISSION OF LIABILITY

9.1 Cumberland has denied, and continues to deny, that the labeling, advertising, or marketing of the Stevia in the Raw Consumer Products is false, deceptive, or misleading to consumers or violates any legal requirement, including but not limited to the allegations that Cumberland engaged in unfair, unlawful, fraudulent, or deceptive trade practices, breached an express warranty, engaged in negligent misrepresentation, or was unjustly enriched. Cumberland is entering into this Class Action Settlement Agreement solely because it will eliminate the uncertainty, distraction, burden, and expense of further litigation. The provisions contained in this Class Action Settlement Agreement and the manner or amount of relief provided to Settlement Class Members herein shall not be deemed a presumption, concession, or admission by Cumberland of any fault, liability, or wrongdoing as to any facts or claims that have been or might be alleged or asserted in the Action, or in any other action or proceeding that has been, will be, or could be brought, and shall not be interpreted, construed, deemed, invoked, offered, or received into evidence or otherwise used by any person in any action or proceeding, whether civil, criminal, or administrative, for any purpose other than as provided expressly herein.

9.2 In the event the Court does not approve this Class Action Settlement Agreement substantially in the form submitted (or in a modified form mutually acceptable to the Parties) or

this Class Action Settlement Agreement is terminated or fails to become effective or final in accordance with its terms, Plaintiff and Cumberland shall be restored to their respective positions in the Action as of the date hereof. In such event, the terms and provisions of this Class Action Settlement Agreement shall have no further force and effect and shall not be used in the Action or in any other proceeding or for any purpose, and the Parties will jointly make an application requesting that any judgment entered by the Court in accordance with the terms of this Class Action Settlement Agreement shall be treated as vacated, *nunc pro tunc*.

9.3 By entering into this Class Action Settlement Agreement, Cumberland is not consenting to or agreeing to certification of the Settlement Class for any purpose other than to effectuate the Settlement of the Action. The Parties agree that if the Court does not approve this Class Action Settlement Agreement substantially in the form submitted (or in a modified form mutually acceptable to the Parties), including, without limitation, if the Court grants a fee application that would cause the total award for Attorneys' Fees and Expenses to exceed \$450,000, or if this Class Action Settlement Agreement is terminated or fails to become effective or final in accordance with its terms, the Action shall proceed as if no Party had ever agreed to the Settlement, without prejudice to the right of any Party to take any and all action of any kind in the Action.

X. ADDITIONAL PROVISIONS

10.1 **Permitted Language.** If Cumberland chooses to use the phrase "natural ingredients" on packages or labels of Stevia In The Raw products, Cumberland will place an asterisk after the phrase with a reference to the following language or substantially similar language located near the package's list of ingredients: "For more information about our ingredients and how they are prepared, go to the FAQ section of www.intheraw.com." If

Cumberland chooses to use the phrase “natural ingredients” in Cumberland’s advertising or marketing materials for Stevia In The Raw products other than on a package, Cumberland will place an asterisk after the phrase with a reference to the following language or substantially similar language near the bottom of the page on which the asterisk appears: “For more information about our ingredients and how they are prepared, go to the FAQ section of www.intheraw.com.” If “natural ingredients” is used on the packages, labels, advertising or marketing materials of its Stevia In The Raw products, Cumberland will include the following language or substantially similar language in the FAQ (frequently asked questions) section of the www.intheraw.com web site:

Q. What are the ingredients in Stevia In The Raw?

A. Stevia leaf extract and a bulking (diluting) agent, either dextrose or maltodextrin.

Q. What is stevia leaf extract, and how is it obtained?

A. The leaf of the stevia plant contains a sweetening agent (stevia rebaudiana Bertoni) that is about 300 times sweeter than cane sugar. That component of the stevia leaf is extracted from the stevia leaves through a process in which the leaves are soaked in aqueous solutions, purified using separation processes, filtered, crystallized and dried to a yield a powder form at the end of the extraction and purification process."

Q. What are dextrose and maltodextrin, and why are they added?

A. Dextrose and maltodextrin are carbohydrates derived from corn starch. They are used to dilute the stevia leaf extract because the extract is so sweet that it would not be practical to measure or use the extract if it were not diluted. The stevia leaf extract is blended with the dextrose or maltodextrin.

Q. Does stevia in the raw contain genetically modified organisms?

A. Some of the corn from which the dextrose and maltodextrin used in Stevia In The Raw was derived probably contained modified genetic material because most of the corn grown in the United States comes from seeds containing modified genetic material. However, the dextrose and maltodextrin used in Stevia In The Raw contain no detectible genetically modified material.

10.2 Plaintiffs and the Settlement Class agree that the use of the language set forth in Section 10.1 is sufficient to ensure that the use of the phrase “natural ingredients” in the labels, packaging, advertising and marketing materials for Cumberland’s Stevia In The Raw products is not misleading or deceptive. Additionally, Cumberland will be permitted to label, market, and advertise Stevia In The Raw products using the phrases set forth below or substantially similar phrases:

naturally gluten free food, naturally sweeter than sugar, grows naturally in the Americas, naturally sweet, (contains) natural sweetener, natural sweetener from a leaf (or plant), made with/from natural sweeteners, natural zero calorie sweetener, naturally zero calorie, naturally calorie free, (made from/with) natural stevia extract, natural, from nature, ingredients found in nature, sweetness born from the leaves of a/the stevia plant, pure sweet extract from a/the stevia plant, nothing artificial, natural sweetness without (all) the sugar, ingredients from nature, naturally sourced sweetener(s), and a/the natural choice.

10.3 In the event that there are any changes to either state or federal laws or regulations that indicate the phrases “all natural,” “100% natural” or “natural ingredients” may be used without the restrictions set forth in this Agreement, then Cumberland’s agreement to comply

with those restrictions shall be terminated.

10.4 The Parties agree that Federal Rule of Evidence 408 protects the information and documents they exchanged when negotiating this Settlement Agreement. No Party may reveal any such confidential information or documents for any purpose other than effectuating this Settlement. This Paragraph does not apply, however, to publicly-available information or documents.

10.5 The Parties agree to return or dispose of all confidential documents and information they exchanged in negotiating this Settlement Agreement within 15 calendar days of the Effective Date. This Paragraph does not apply, however, to publicly-available information or documents.

10.6 The Parties agree they negotiated the terms of this Class Action Settlement Agreement at arm's length and in good faith. The Parties agree the terms of this Class Action Settlement Agreement reflect a Settlement that the Parties reached voluntarily after consultation with experienced legal counsel.

10.7 The Parties, Class Counsel, and Defense Counsel agree to use their best efforts and to cooperate fully with one another (i) in seeking Preliminary Approval and Final Approval of this Settlement and (ii) in effectuating the full consummation of the Settlement provided for herein.

10.8 Each counsel or other person executing this Class Action Settlement Agreement on behalf of any Party hereto warrants that he, she, or it has the authority to do so.

10.9 This Class Action Settlement Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument. Executed counterparts shall be deemed valid if delivered

by mail, courier, electronically, or by facsimile.

10.10 This Class Action Settlement Agreement shall be binding upon, and inure to the benefit of, the settling Parties (including all Settlement Class Members), their respective agents, attorneys, insurers, employees, representatives, officers, directors, partners, divisions, subsidiaries, affiliates, associates, assigns, heirs, successors in interest, and shareholders, and any trustee or other officer appointed in the event of a bankruptcy, as well as to all Released Persons as defined in Paragraph 2.40 of this Settlement Agreement. The waiver by any Party of a breach of this Class Action Settlement Agreement by any other Party shall not be deemed a waiver of any other breach of this Class Action Settlement Agreement.

10.11 This Class Action Settlement Agreement and any exhibits attached to it constitute the entire agreement between the Parties hereto and supersede any prior agreements or understandings, whether oral, written, express, or implied between the Parties with respect to the Settlement.

10.12 No amendment, change, or modification of this Class Action Settlement Agreement or any part thereof shall be valid unless in writing, signed by all Parties, Class Counsel, and Defense Counsel, and approved by the Court.

10.13 The Parties to this Class Action Settlement Agreement each represent to the other that they have received independent legal advice from attorneys of their own choosing with respect to the advisability of making the Settlement provided for in this Class Action Settlement Agreement and with respect to the advisability of executing this Class Action Settlement Agreement, that they have read this Class Action Settlement Agreement in its entirety and fully understand its contents, and that each is executing this Class Action Settlement Agreement as a free and voluntary act.

THIS NOTICE MAY AFFECT YOUR RIGHTS.

*A Federal Court authorized this notice.
This is not a solicitation from a lawyer.*

PLEASE READ THIS NOTICE AND THE ENCLOSED CLAIM FORM CAREFULLY.

- Two plaintiffs have filed a lawsuit alleging that the use of the phrases “natural,” “all natural” and “100% natural” on packages of Cumberland Packing Corp.’s (“Cumberland” or “Defendant”) Stevia In The Raw brand Consumer Products is misleading (the “Litigation”) in the Eastern District of New York (the “Court”). Plaintiffs have brought these claims on behalf of all consumers who purchased Stevia In The Raw brand Consumer Products containing these phrases in the United States between October 9, 2009 and July 1, 2014. Cumberland denies that these phrases are inaccurate or misleading. The parties recently entered into a settlement agreement to avoid burdensome and costly litigation. The settlement is not an admission of wrongdoing. The Court has not ruled on the merits of Plaintiffs’ claims.
- Your rights may be affected by the Settlement, and you may be entitled to obtain the benefits of the settlement agreement if you purchased at least one Stevia in the Raw brand Consumer Product containing the phrases “natural,” “all natural” or “100% natural” in the United States between October 9, 2009 and July 1, 2014, for household use or personal consumption and not for resale or distribution. If you meet these criteria, you are considered a member of the class of consumers on whose behalf the lawsuit is brought (“Class Member”) unless you request that you be excluded from the class. Anyone who is a board member, officer, or attorney of Cumberland may not participate in the Settlement.

What Can I Get From the Settlement?

- You may be eligible for a cash payment if you qualify and timely submit a valid Claim Form. GETTING MORE INFORMATION8

20. Are there more details about the settlement?

BASIC INFORMATION

1. What is this lawsuit about?

A proposed settlement has been reached in a class action lawsuit about the labelling, marketing, and advertising of Cumberland's Stevia in the Raw brand Consumer Products. The two plaintiffs who filed the lawsuit allege the Stevia in the Raw brand Consumer Products are not "natural," "all natural" or "100% natural" and are inaccurately and deceptively labeled as so. Cumberland denies that its marketing, advertising, and/or labeling of the Stevia in the Raw Consumer Products is false, deceptive, or misleading to consumers or violates any legal requirement.

2. Who is included in the Settlement Class?

You are a member of the Class of consumers on behalf of whom the Lawsuit was filed (a "Class member") if you purchased at least one Stevia in the Raw brand product containing the phrases "natural," "all natural" or "100% natural" in the United States between October 9, 2009, and July 1, 2014. Settlement Class Members must have both resided in the United States and purchased the product in the United States for their household use or personal consumption and not for resale or distribution.

The following persons are excluded from the Settlement Class: (a) Cumberland's board members, executive-level officers, and attorneys; (b) governmental entities; (c) the Court, the Court's immediate family, and the Court staff; and (d) any person that timely and properly excludes himself or herself from the Settlement Class in accordance with the procedures approved by the Court.

THE SETTLEMENT BENEFITS – WHAT YOU MAY GET

3. Cash from the claims process.

Cumberland will create a fund of up to \$1,547,000 to pay Class Members' Claims, certain administrative costs, attorneys' fees and expenses, incentive awards, and other costs. You may obtain a cash payment of up to \$2 for each package of a Stevia in the Raw brand Consumer Product containing the phrases "natural," "all natural" or "100% natural" that you purchased between October 9, 2009 and July 1, 2014, up to a maximum of 8 packages. The maximum cash payment is \$16 per claimant. The amount of your payment will depend on the statements in your Claim Form. These awards may be subject to *pro rata* downward adjustment depending on the number of claims approved. Details appear below.

HOW YOU GET A CASH PAYMENT – SUBMITTING A CLAIM FORM

4. How can I get a payment?

You must return a Claim Form to get a cash payment. A copy of the Claim Form is included in this Notice Package. Claim Forms may be filed online at www.xxxxxxxxxxxxxxxxxxxxxxxxxxx.com or you may request a Claim Form by calling 1-8xx-xxx-xxxx.

5. How do I send in a claim?

The Claim Forms are simple and easy to complete.

The Claim Form requires that you provide:

1. Your name and mailing address;

2. The number and type(s) of Stevia in the Raw brand products you purchased, and the location(s) and approximate dates of your purchase(s); and
3. Your signature affirming that the information provided is true and correct.

Returning a Claim Form is the only way to receive a cash payment from this settlement. Only one Claim Form is permitted for each household, and two or more claimants may not submit Claim Forms for the same alleged damage.

The Claim Administrator may request verification or additional information if the Claim Form is insufficient to process your claim. Failure to provide any requested documentation may result in the denial of your claim and may limit the remedy you receive.

6. When is the Claim Form due?

If you mail your Claim Form, it must be postmarked no later than [DATE].

If you submit your Claim Form on the settlement website at www.aaaaaaaaaaaaaaaaaaaaa.com, it must be submitted no later than [DATE].

7. Who decides my claim?

The Claim Forms will be reviewed by an independent Settlement Administrator according to criteria agreed to by the parties.

The Settlement Administrator may contact you or other persons listed in your Claim Form if he or she needs additional information or otherwise wants to verify information in your Claim Form.

8. When would I get my payment?

The Court will hold a Final Fairness Hearing at ____ a.m./p.m. on _____ in _____, New York to decide whether to approve the settlement. If the Court approves the settlement, after that there may be appeals. It is always uncertain whether these appeals can be resolved, and resolving them can take time, perhaps more than a year. If there are no appeals or other delays, you should be sent your cash payment in approximately 60 days.

9. What if the fund is too small?

If the total amount of timely and valid claims, is more than \$880,000, the payments to Settlement Class Members will be reduced *pro rata* such that each claimant would receive proportionally less than the amount he or she claimed.

10. What happens if I do nothing at all?

You must return a Claim Form to receive a cash payment. If you are a Class Member and you do nothing, you will get no money from the settlement, and, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Cumberland about the legal issues in this case.

EXCLUDING YOURSELF FROM THE SETTLEMENT

11. How do I get out of the settlement?

If you do not wish to be included in the Class and receive settlement benefits, you must send a letter to the Settlement Administrator stating that you want to be excluded from this lawsuit. Be sure to include your name

and address and your signature. You must mail your exclusion request post-marked no later than [DATE] to:

STEVIA IN THE RAW SETTLEMENT
c/o Dahl Administration
P.O. Box 3614
Minneapolis, MN 55403-0614

If you asked to be excluded, you will not get any settlement payment, and you cannot object to the settlement. You will not be legally bound by anything that happens in this lawsuit. You may be able to sue (or continue to sue) Cumberland in the future.

If you have a pending lawsuit against Cumberland, speak to your lawyer immediately. You may need to exclude yourself from this lawsuit in order to continue your own lawsuit. Remember, the exclusion date is [DATE].

THE LAWYERS REPRESENTING YOU

12. Do I have lawyers in this case?

The Court appointed the law firms of Reese LLP and Halunen Law to represent you and other class members. These lawyers are called Class Counsel. If you want to be represented by your own lawyer, you may hire one at your own expense.

13. How will the lawyers be paid?

Class Counsel will ask the Court to award them attorneys' fees and expenses. Cumberland has agreed to pay attorney's fees and expenses awarded by the Court up to \$450,000.

The two plaintiffs will also ask the Court to award them an amount not to exceed \$3,500 each for their time and effort acting as plaintiffs and for their willingness to bring this litigation and act on behalf of consumers. These amounts, if approved by the Court, will be paid from the Settlement Fund.

The costs to administer the settlement, to review Claim Forms, and notify Class Members about this Settlement will be paid out of the Settlement Fund, up to \$210,000.

OBJECTING TO THE SETTLEMENT

14. How do I tell the Court that I do not like the settlement?

If you are a Class Member, you can object to the settlement if you do not like any part of it and the Court will consider your views. To object, you must file an objection with the Court saying that you object to the settlement in *Frohberg, et al. v. Cumberland Packing Corp.*, No. 1:14-cv-00748-KAM-RLM (E.D.N.Y.). The written objection must include: (a) your name, address, email address, and phone number, or the address and phone number of any attorney you have hired; (b) a clear and concise statement of your objection, the facts supporting your objection, and the legal grounds for your objection; and (c) documents to establish your standing as a Settlement Class Member, such as (i) a signed declaration with language similar to that included in the Claim Form you purchased at least one Stevia in the Raw product during the Class Period; or (ii) receipt(s) reflecting such purchase(s). Objections must also include a detailed list of any other objections submitted by the Settlement Class Member, or his/her counsel, to any class actions submitted in any court, whether state or otherwise, in the United States in the previous 5 years.

If an objecting Settlement Class Member chooses to appear at the hearing, no later than 15 days before the Fairness Hearing, a Notice of Intention to Appear must be filed with the Court and list the name, address and telephone number of the attorney, if any, who will appear.

The objection must be filed with the Court and served on Class Counsel no later than [DATE]. Send your objection to:

15. What is the difference between objecting and excluding?

Objecting is telling the Court that you do not like something about the settlement. You can object only if you stay in the Class. Excluding yourself is telling the Court that you do not want to be part of the Class or the lawsuit. You cannot request exclusion **and** object to the settlement. If you exclude yourself, you have no basis to object because the case no longer affects you.

RELEASE OF CLASS MEMBERS' CLAIMS AND DISMISSAL OF LAWSUIT

16. In return for these benefits, what am I giving up?

If the Court approves the proposed Settlement, and you do not request to be excluded from the Class, you will be deemed to have released (given up) all claims that are subject to the Releases contained in Section VII of the Class Action Settlement Agreement. **If you remain in the Class, you may not assert any of those claims in any other lawsuit or proceeding. This includes any other lawsuit or proceeding already in progress.**

THE FINAL APPROVAL HEARING

17. When and where will the Court decide whether to approve the settlement?

The Judge will hold a Final Approval Hearing at [TIME] on [DATE] at the United States District Court for the Eastern District of New York, [COURT ADDRESS]. At this hearing, the Judge will consider whether the settlement is fair, reasonable and adequate. If there are objections, the Judge will consider them. The Judge will listen to people who have asked to speak at the hearing. After the hearing, the Judge will decide whether to approve the settlement. We do not know how long this decision will take.

18. Do I have to come to the hearing?

No. Class Counsel will answer questions the Judge may have. But, you are welcome to come at your own expense. If you submit an objection, you do not have to come to the Court to talk about it. As long as you deliver your written objection on time, the Judge will consider it. You may also pay your own lawyer to attend, but it is not necessary.

19. May I speak at the hearing?

You may ask the Court for permission to speak at the Final Approval Hearing. To do so, you must file with the Court a "Notice of Intention to Appear in *Frohberg, et al. v. Cumberland Packing Corp.*, No. 1:14-cv-00748-KAM-RLM (E.D.N.Y.)." Be sure to include the name, address and telephone number of the attorney, if any, who will appear. Case No. 1:14-cv-00748-KAM-RLM

**AFFIDAVIT OF JEFFREY D. DAHL WITH RESPECT
TO SETTLEMENT NOTICE PLAN**

I, Jeffrey D. Dahl, being duly sworn and deposed, say:

1. I am over 21 years of age and am not a party to this action. This affidavit is based on my personal knowledge, information provided by the staff of Dahl Administration, LLC ("Dahl"), and information provided by Dahl's media partners. If called as a witness, I could and would testify competently to the facts stated herein.

2. I am Founder and a Principal of Dahl, which has been retained as the Notice Administrator and Settlement Administrator for the above-captioned action. I am a nationally-recognized expert with over 22 years of experience in class action settlement administration. I have provided claims administration services and notice plans for more than 500 class actions involving securities, product liability, fraud, property, employment and discrimination. I have experience in all areas of

settlement administration including notification, claims processing and distribution.

I have also served as a Distribution Fund Administrator for the U.S. Securities and Exchange Commission.

3. A true and correct copy of Dahl's firm background is attached hereto as Exhibit 1.

4. I designed the Notice Plan for the Settlement in the above-captioned action. I am responsible for directing Dahl's execution of the Notice Plan.

5. This affidavit describes (a) the methodology used to create the proposed Notice Plan; (b) the proposed Notice Plan; (c) the Notice design; (d) the direct mailed Notice; (e) the web-based Notice; (f) the web-based Notice targeted using keyword search terms; (g) the web-based Notice targeted using social media interest areas; (h) earned media; (i) the toll-free helpline; and (j) the Settlement website.

METHODOLOGY

6. Working with our media partner, FRWD, I designed a Notice Plan that utilizes mail, print, and web-based media to reach Settlement Class Members. In formulating the Notice Plan, we took account of the powerful data showing that individuals now spend far more time seeking and consuming information on the Internet than from print sources, and we will employ sophisticated methods of reaching and exposing Settlement Class Members to the Notice that are available to marketers in the digital, online sphere.

7. A true and correct copy of the Affidavit of John Grudnowski, the founder and CEO of FRWD, is attached hereto as Exhibit 2.

8. The Affidavit of John Grudnowski in Support of the Settlement Notice Plan provides detailed information regarding online advertising in general and describes in detail the digital media technologies that are integral to the design and execution of the proposed Notice Plan.

9. The proposed Notice Plan uses methods that have been and are currently used by the nation's largest advertising media departments to target and place billions of dollars in advertising. These methods include the sophisticated targeting capabilities of digital marketing technologies to meet and reach Settlement Class Members at the websites they visit most frequently.

PROPOSED NOTICE PLAN

10. The objective of the proposed Notice Plan is to provide notice of the Proposed Settlement to members of the Proposed Settlement Class ("Settlement Class Members" or "Class") that satisfies the requirements of Rule 23 of the Federal Rules of Civil Procedure.

11. I understand that the Settlement Class Members generally are persons residing in the United States who made a purchase of Stevia in the Raw products in the United States for their household use or personal consumption and not for resale or distribution during the Class Period. It is not possible to determine the exact Settlement Class size because no mechanism exists to track exactly how many households have purchased Stevia in the Raw products. Defendant estimates that

there are approximately two million consumers who purchased Stevia in the Raw during the class period. Estimates from GfK MRI indicate that the total consumer target audience matching the demographic profile of Stevia in the Raw consumers numbers 40 million persons. Research also indicates that the population of core sweetener consumers in the United States numbers 17 million persons.

12. Thus, the best ballpark estimate for the size of the target audience that includes the members of the Settlement Class is approximately 17 million persons.

13. Demographically, the Settlement Class is estimated to be 70% female and 30% male. Sixty percent (60%) of the Settlement Class are age 45 or older. Forty-two percent (42%) have an annual household income of \$60,000 or higher, 41% are not employed, and 84% are Caucasian. In terms of media consumption behavior, 66.7% show moderate to high internet usage, 86% use search engines frequently, and 63% are active Facebook users. Using the demographic and psychographic information above, we have designed this Notice Plan to target a selection of websites, relevant search interest keywords, and specific social media interest areas that match the characteristics of the Settlement Class. Dahl will seek to meet with Cumberland Packaging Corp. ("Cumberland") representatives to confirm the characteristics of the Settlement Class, based upon known characteristics of Stevia in the Raw purchasers and known locations of purchases. This Notice Plan will be aligned with any relevant targeting information provided by Cumberland for the Stevia in the Raw brand.

14. We have designed a Notice Plan that includes seven elements:

- a. Direct mail or email Notice to any potential Settlement Class Members that can be identified from Cumberland's records;
- b. Web-based Notice using paid banner ads on targeted websites;
- c. Additional web-based Notice using "keyword" searches displaying banner ads;
- d. Social media ads and postings targeting relevant interest areas;
- e. National earned media through the issuing of a press release distributed nationwide through PR Newswire;
- f. A dedicated, informational website through which Settlement Class Members can obtain more detailed information about the Settlement and access the Notice and case documents; and
- g. A toll-free telephone helpline by which Settlement Class Members can obtain additional information about the Settlement and request a copy of the Notice.

15. The Notice Plan has been designed to obtain over 68 million individual digital impressions targeted to approximately 17 million persons in order to achieve sufficient scale and impression frequency to target Settlement Class Members. Coverage and exposure will be further increased by the earned media campaign, the website, and the toll-free helpline.

16. Dahl and FRWD estimate that the Notice Plan will effectively reach 75% of the projected 17 million target audience of core sweetener users at 3.0x-4.0x frequency.

17. At the conclusion of the Notice Plan, Dahl will provide a final report verifying implementation of the Notice Plan and provide the final reach and frequency results.

NOTICE DESIGN

18. Rule 23(c)(2) of the Federal Rules of Civil Procedure requires that class action notices be written in “plain, easily understood language.” The proposed Notices have been designed to be noticed, read, and understood by potential Settlement Class Members. Both the Summary Notice and the Long Form Notice, which will be available to those who call the toll-free helpline or visit the website, contain substantial, easy-to-understand descriptions containing all key information about the Settlement and Settlement Class Members’ rights and options. A copy of the proposed Summary Notice is attached to the Settlement Agreement as Exhibit D. A copy of the proposed Long Form Notice is attached to the Settlement Agreement as Exhibit B.

DIRECT MAILED NOTICE

19. Upon Preliminary Approval, Cumberland will provide Dahl with the names and addresses or email addresses for approximately 200 persons who are potential Settlement Class Members for whom contact information is available. Dahl will mail a Long-Form Notice and Claim Form or email a Summary Notice to each of these individuals.

WEB-BASED NOTICE

20. To reach as many of Settlement Class Members as possible, a web-based notice campaign utilizing banner-style notices with a link to the Settlement website will supplement the print notice. Banner notices measuring 728 x 90 pixels and 300 x 250 pixels will appear on a subset of two groups of websites known as the FRWD Foodie Channel and Reach Channel. The Reach Channel provides placements across the top 2,000 most trafficked websites, and provides the ability to reach the Settlement Class. The Foodie Channel provides placement across the top food, recipe, and related websites and provides higher-impact and more contextually-relevant placements with regard to this Settlement Class. The banner notices will run on websites when the site's demographics match our target audience.

21. A true and correct list of the website domains that are included in the FRWD Reach Channel and Foodie Channel and will be utilized in this Notice campaign is attached hereto as Exhibit 3.

22. True and correct samples of the banner ads that will be placed are attached hereto as Exhibit 4.

23. The Grudnowski Affidavit attached as Exhibit 2 provides more detailed information about the technologies and methods that we will use to implement and track this component of the Notice Plan.

USING KEYWORD SEARCH TERMS

24. The proposed Notice Plan will include banner ads targeted to display in response to the entry of specific keywords related to Stevia in the Raw products and other similar products and interests on major search engine websites, including the keywords “Stevia Class Action,” “Stevia Case,” “Stevia in the Raw,” “Stevia Lawsuit,” “Stevia in the Raw Settlement,” and other similar terms.

USING SOCIAL MEDIA INTEREST AREAS

25. The proposed Plan will include banner ads that will be displayed to users of the Facebook social media network. These banner ads will appear on Facebook web pages displayed to Facebook users who have previously expressed interest using Facebook “Likes” and otherwise in areas such as “Stevia,” and in sweetener brands such as “Truvia,” “Sweet & Low,” “Equal,” etc. In previous consumer product class action settlement notification plans, this method of targeting has led to significant increases in overall claims.

EARNED MEDIA

26. The proposed Notice Plan will also include earned media to supplement the paid media portion of the Plan and will be targeted to a national audience. “Earned media” refers to promotional efforts outside of direct, paid media placement. The earned media efforts will provide additional notice of the Settlement to potential Settlement Class Members, though the effect is not measurable as it is with the impressions accumulated with the paid media portion of the Notice campaign.

27. Concurrent with the launch of the online Notices, Dahl will release a national press release via PR Newswire. The press release will be distributed by PR Newswire to 5,815 newspapers, television stations, radio stations and magazines. In addition, PR Newswire will send the press release to approximately 5,400 websites and online databases, including all major search engines.

28. A true and correct copy of the text of the proposed press release is attached hereto as Exhibit 5.

TOLL-FREE HELPLINE

29. Prior to the launch of the print and web-based media campaigns, Dahl will also establish a toll-free Settlement helpline to assist potential Settlement Class Members and any other persons seeking information about the Settlement. The helpline will be fully automated and will operate 24 hours per day, seven days per week. Callers will also have the option to leave a message in order to speak with the Settlement Administrator.

30. The toll-free helpline will include a voice response system that allows callers to listen to general information about the Settlement, listen to responses to frequently asked questions (“FAQs”), or request a Long-Form Notice.

31. Dahl will work with Counsel to prepare responses to the FAQs to provide accurate answers to anticipated questions about the Settlement.

SETTLEMENT WEBSITE

32. Prior to the launch of the print and web-based media campaigns, Dahl will coordinate and integrate into the Notice Plan a Settlement website at www.SteviaInTheRawSettlement.com.

33. Dahl will work with Counsel to develop the content for the Settlement website. The website will provide Settlement Class Members with general information about the Settlement, answers to frequently asked questions, a means to submit an electronic Claim Form or download a Claim Form, important dates and deadline information, a summary of Settlement benefits, a means by which to review and print copies of certain Settlement documents (including the Long Form Notice), and a link to contact the Settlement Administrator via email.

CONCLUSION

34. The objective of the Notice program is to reach the highest possible percentage of potential Class Members, provide them with meaningful information to help them understand their legal rights and options under the terms of the settlement and provide a simple, open and easy method for them to file claims for settlement benefits.

35. It is my opinion that the proposed Notice Plan, by producing more than 68 million digital impressions that are targeted using methods universally employed in the advertising industry at persons that match characteristics of Earth Friendly Product purchasers – and thus the Settlement Class – provides sufficient Notice to the members of the Settlement Class.

36. It is also my opinion that the proposed Notice Plan is fully compliant with Rule 23 of the Federal Rules of Civil Procedure and meets the notice guidelines established by the Federal Judicial Center's Manual for Complex Litigation, 4th Edition (2004), as well the Federal Judicial Center's Judges' Class Action Notice and Claims Process Checklist and Plain Language Guide (2010), and is consistent with notice programs approved previously by both State and Federal Courts.

OUR FIRM

OUR FIRM

OUR HISTORY

After more than 15 years of experience managing hundreds of settlements and distributing billions in settlement benefits, Jeff and Kristin returned to their roots as hands-on administrators providing innovative and cost-effective solutions. They created Dahl Administration to provide responsible, accountable, and transparent settlement administration services, and to become a trusted resource for class action counsel nationwide.

Dahl Administration has a history that stretches back to the beginnings of the class action settlement administration industry. Jeff Dahl was a founding partner of Rust Consulting and Kristin Dahl was Rust's second employee. During their time with Rust, the firm managed over 2,000 class action settlements.

Jeff and Kristin built Dahl Administration from the ground-up to provide the kind of service and expertise that complex claims administration projects demand, something that is too often lost within the corporate overhead and "turn-key solutions" that come with very large administrators. To do this, Dahl Administration combines advanced claims processing technology with expert project teams that are 100% focused on meeting client needs. This project team approach eliminates departmental "silos" that lack overall understanding of a client's project needs and lose the ability to communicate effectively when issues arise.

To focus on client needs, Jeff and Kristin created an organization that produces truly custom solutions, where project managers and principals actually answer their phones and emails, employees are empowered to resolve issues, and team members proactively communicate with clients to eliminate unwelcome surprises. The same people that consult and generate project proposals also attend weekly project update meetings and actively manage project work. This continuity ensures that project execution and costs meet or exceed the standards set in the proposal.

Dahl Administration is a full-service provider, with a staff of professionals experienced in class action administration, direct and media notice, process development, document and script development, data and image capture, claims processing, quality control review, accounting, project management, software development, and distribution. We also have sophisticated technology resources in place to implement solutions of any size and any level of complexity.

We are committed to managing successful projects that are completed on time, on budget, and with the highest level of quality in the industry.

OUR FIRM

OUR PHILOSOPHY

Dahl's 6 Key Principles:

Accountable

We are experts at what we do. When you hire us the work is done correctly and we stand behind it. No exceptions.

- **Immediate Resolution**

When issues arise, we fix them. Dahl principals are actively involved in day-to-day client support and project management.

- **Project Team Responsibility**

Our project managers are empowered to make decisions and resolve issues directly, guided by Dahl principals who actively monitor every project.

- **True Real-time Quality Assurance**

We perform quality reviews continuously within the project processing cycle, not through a generic, detached auditing function.

Responsive

Nothing is more frustrating than having issues arise and no one will answer the phone or respond to an email. Our managers and principals are required to answer their phone and check their email 24/7. We want you to call our mobile numbers in an emergency, that's why we give them to you. You can always call our president and he will be happy to assist you. We don't just say this, we do it.

- **Online, All the Time**

We answer the telephone. We know your time is money, so when you have an issue, you can call or email your project manager, your project principal, or the company president to get it resolved promptly – day or night.

- **Empowered, Knowledgeable Staff**

We don't forward you to different departments or park your issue with a ticketing system. Your assigned project manager is knowledgeable and empowered to provide solutions on your project. If they don't know the answer, they will get it – promptly and willingly.

- **Client Relationships Drive Our Business**

We are about you. We strive to develop a long-term, successful partnership with you.

OUR FIRM

Technology-Driven

Sometimes it takes a custom technology solution to meet a unique settlement administration challenge. We have a dedicated information technology staff and a full menu of technology services to offer our clients. Whether you need a secure web-based claims submission portal, a custom IVR phone solution, innovative web-based class notice, or anything else, we will work with you to build the solution that works for your settlement and your budget.

- **Advanced Capabilities**

We offer advanced print and mail solutions, custom IVR phone technology, online filing, "Quick Site" claim image access for clients, high-speed scanning, and flexible fund distribution alternatives.

- **Data Security**

We provide secure physical facilities, proven technical infrastructure, and information-handling procedures to protect sensitive data.

- **Custom Technical Solutions**

We custom configure solutions for each project, so you get innovative claims processing workflow that fits your needs.

- **Capacity and Sophistication**

We have dedicated information technology staff and a high-capacity technology environment to support any size or type of case.

Affordable

In today's economic times, price is always a factor. At Dahl, we have eliminated a lot of unnecessary overhead by focusing our staffing on project-based needs. Dahl employees work on projects. This allows us to keep rates low and stay focused on our clients.

- **Best Service at the Best Price**

We provide innovative and efficient services designed to administer your project correctly and cost-effectively.

- **Nimble and Right Sized**

We have project-based teams focused on your case solutions. All of our employees do project work, eliminating non-essential corporate overhead.

OUR FIRM

Custom Solutions

We don't provide 'turn-key' processing solutions. Over the years, we have found that our clients expect more from us. We customize our solutions to meet our clients' varied expectations and do it at a 'turn-key' price.

- **True Customization**

We deploy our expertise and tools to fit your project's needs.

- **Your Project Your Way**

We don't force your project into our process, we adjust our process to meet your requirements.

- **Adjustable and Adaptable**

We are nimble and proactive, enabling us to make real-time processing changes to meet your deadlines and requirements.

No Surprises

You should not have to deal with missed deadlines or surprise invoices that far exceed proposed costs. We anticipate issues and stay on top of your settlement schedule for you. Weekly processing updates and monthly budget updates eliminate unpleasant surprises. Clients tell us that their "no surprises" experience with Dahl is what keeps them coming back again and again.

- **Every Project Every Day**

We anticipate issues. Our "every project, every day" philosophy means our project team is on top of your schedule and proactively addressing any issues.

- **Consistent Reporting**

We deliver weekly processing updates and monthly budget updates on every project.

- **Active Communication**

Our principals and project managers proactively track changes in project dynamics and communicate any issues to you

INNOVATIVE NOTICE PLANNING AND EXECUTION

Change in the media landscape is accelerating and it is imperative that class action notification planning and execution reflect these changes. More people are now consuming news media via Internet sources than are reading even the most recognized print publications. Given this sea change, it no longer makes sense for class action notification plans to reflexively purchase print advertisements in the same leading national or regional print publications without considering the reality of where class members are directing the bulk of their attention. Print publication still has its place, often as a supplementary notice tactic, but that place will be less and less as the primary method of reaching unidentified class members.

With over 22 years of experience in class action notice and claims administration, Jeff Dahl recognized that class action notice plans were insufficiently utilizing the newly-available tools from the Internet marketing and communications industry. To fill this gap, Dahl Administration reached out to a leading digital marketing agency, FRWD, to develop best practices in applying digital media strategies and execution programs to the class action notification arena. The premise is simple: reach class members using the same digital media tools that FRWD's clients—brands such as 3M, Coca-Cola, Best Buy, Proctor & Gamble, General Mills and more—use to reach their own customers. In planning to provide “the best notice that is practicable under the circumstances” it is no longer acceptable to ignore the digital sphere where class members are now spending the bulk of their media consumption time and attention.

Dahl has deep experience in class action notification, and Dahl handles individual notice planning and execution more efficiently than anyone in the industry. Whether the case involves direct postal mail or email, Dahl will handle the data cleansing, returned mail and tracing, and other standard or custom procedures such that as many of the reasonably identifiable class members get notice of the litigation as possible.

When it comes to publication notice, the Dahl-FRWD approach diverges from the rest of the class action notification industry.

- We reach class members using the same strategies and tactics that leading advertisers would use to reach the same target audience as customers.
- Where feasible, we meet with marketing staff from the defendant(s) along with plaintiff and defense counsel to determine customer demographic and psychographic profiles.
- The logic is unassailable: where defendants have developed highly sophisticated knowledge about their customers and prospective customers, the class action notice process should seek out this knowledge and put it to use.

OUR FIRM

- Too often, this approach is overlooked in favor of the same print publication placements and, sometimes, a scattershot web banner ad campaign directed only by the broadest of demographic profiles.

Targeting

First, we validate targeting parameters and align media buying with all parties. This process includes hand selecting specific website domains, print publications, geographic targeting, audience interest targeting, and more. By bringing the parties into the process, we are able to align more specifically on targeting needs and expectations in notification.

Technology

Second, we begin technology systems alignment. In delivering a modern notification plan, multiple technical systems must be aligned. This is done to ensure accuracy in delivery of media as well as verifying that delivery met expectations. In typical notification planning Dahl-FRWD will leverage data collection, ad serving, and verification technologies. In parallel with finalizing media, Dahl-FRWD will install and set up all needed technology. In a recent matter where U.S. nationwide notification was required, we structured 50 unique campaigns to ensure proper distribution and verification of notice in each U.S. state. This often overlooked step is vital to ensuring proper notification as Dahl-FRWD can verify reach by state, country, and region. Any notification plan overlooking this step is simply not leveraging available technology to the best practices level.

Execution

The Dahl-FRWD approach involves much more than the mere use of “industry-standard methodology” for the placement of web banner ads. In fact, class action notice “experts” often settle for buying blocks of surplus banner ads from wholesalers. Our goal is to use the same targeting and execution methodology that leading brands use to reach their own customers when we seek to reach those same persons in their capacity as class members. Our methodology of media planning and buying leads to greater accuracy, quality and control of media. The cost advantage is typically 20% to 30%, meaning we can typically reach 20% to 30% greater population base at the same media cost as traditional media notice plans.

CUMBERLAND PACKING CORP.,

Case No. 1:14-cv-00748-KAM-RLM

**AFFIDAVIT OF JOHN GRUDNOWSKI IN SUPPORT OF
SETTLEMENT NOTICE PLAN**

I, John Grudnowski, being duly sworn and deposed, say:

1. I am over 21 years of age and am not a party to this action. I have personal knowledge of the facts stated herein and, if called as a witness, could and would testify competently thereto.

2. I am Founder and CEO of FRWD Co. ("FRWD"), a digital marketing firm based in Minneapolis, Minnesota. My firm has been asked by Dahl Administration, LLC ("Dahl") to partner in the design and execution of the Notice Plan for the settlement in the above-captioned action (the "Settlement").

3. I have more than 18 years of experience in marketing and public relations. In the past 13 years, I have focused exclusively on digital media. In addition to founding FRWD in 2009, I co-founded a Minneapolis-based media organization, i612, which provides educational content to the Minneapolis/St. Paul marketing community. I also

serve as an Adjunct Professor in Digital Marketing at the University of Minnesota's Carlson School of Management.

4. My work has involved designing, executing, and validating traditional and digital media advertising and communications campaigns. The technologies and tools described herein are well-accepted, leading practices in the digital advertising world and are directly transferable and applicable to the execution of an effective class action notice plan.

5. This affidavit describes advertising industry trends and practices as well as the media approach and methodology for the Notice Plan for the Settlement.

6. FRWD and Dahl constructed the Notice Plan to be consistent with, and to take advantage of, how individuals consume media and locate information today. Specifically, we are leveraging digital components including desktop web banners, mobile web banners, and social media, as described in the Affidavit of Jeffrey D. Dahl. Leveraging how today's consumer accesses media enables us to construct a more robust, action-oriented notification plan. In addition, we will align the Notice Plan with any additional demographic information provided by Defendants specific to their customer base. Specifically, our Notice efforts will target a nationwide audience of 17 million care sweetener users. This audience was selected based on demographic information, detailed audience purchase information provided by Nielsen Catalina Solution as well as through tools provided by Gfk MRI, comScore and Google. Between the online components of the Notice Plan, our tools indicate we will produce over 66 million impressions that are targeted to reach an audience with the characteristics of the Settlement Class. I estimate

that the Notice Plan will effectively reach 75% of the projected 17 million core sweetener users at a projected frequency of 3.0x-4.0x.

FRWD BACKGROUND

7. Over the past six years, my company has planned, managed, executed, and reported on thousands of individual digital & traditional (TV, Print, Radio, Out of Home (OOH)) executions for some of the world's largest brand advertisers and business-to-business organizations. FRWD clients have included American Express, L'Oreal, Proctor & Gamble, Best Buy, Disney, General Mills, Colgate, and 3M.

8. "Digital media executions" are advertising, communications, or marketing activities directed at the online audience. Digital media executions can be a single event or a more coordinated, long-term campaign, and are done using online advertising tactics such as paid search, display, video, social media, and other forms of paid media. Each of these approaches is designed to reach a defined target audience in the online spaces where people increasingly seek and obtain information. In executing this Notice Plan, FRWD will employ display tactics—specifically, placing banner advertisements on specific websites—to reach our intended audience.

9. In my past six years as CEO of FRWD, and in my previous twelve years in marketing, I have overseen all aspects of digital & traditional media executions, ranging from strategic and creative design, to planning, to identification of technology partners, to integration of technology, to media buying, to optimizations of media executions. I have personally managed more than \$120 million in digital and traditional media executions. I have been hired by Fortune 500 clients to train their internal teams on digital media

technology and management. I have hired and trained more than 100 employees and personally integrated third-party, industry-leading technologies such as DoubleClick DFA, comScore, Terminal One, Nielsen and others which enable greater control of reach/frequency management, audience targeting, and verification, all of which will be applied in this case to implement an effective class action Notice Plan. In addition to digital media executions, I have personally overseen advertising programs that included digital and print as well as and digital and television. In 1999-2000, I personally managed newspaper and Outdoor advertising placements for Northwest Airlines. This experience at all stages of a media campaign, from planning through execution and training, provides a solid foundation of experience that informs my work on this Notice Plan.

10. As part of FRWD's execution of multimedia campaigns, we have planned, designed, built, placed, and reported on thousands of individual web-based creative assets such as banner ads, websites, keyword search ads, Facebook landing pages, and other forms of content development.

11. Areas of special expertise and focus for FRWD include local (city and state level) and national advertising focused on achieving specific reach and frequency targets. We use all of the digital tactics listed above. Over the past six years, FRWD has completed more than 1,000 individual digital media campaigns focused on a specific locale (geo-footprint), combined with audience targeting and very specific reach and frequency goals. We have done so for brands including Cheerios, Wheaties, Yoplait, Covergirl, Olay, Charmin, and Colgate.

ADVERTISING TRENDS

12. In the past decade, and specifically within the past few years, consumers have significantly shifted their consumption of media from print-based consumption to online-based consumption. In response to this consumer shift in consumption, advertisers have shifted their spending from print-based to online-based advertising.

13. The major driver behind these shifts is technology and its impact on consumers' time with media each day. As reported by eMarketer,¹ U.S. adults in 2008 spent a combined 63 minutes every day reading magazines and newspapers.² In 2011, that number had declined to 44 minutes per day, a decline in usage of 30%. In 2015, that number has declined to 21 minutes, a decline of 109% in the last 4 years alone.³ During that same time period (from 2011 to 2015), daily time spent on digital media (online and mobile) has increased from 232 minutes per day to 338 minutes per day, a 50% increase. Thus, the average U.S. adult in 2015 now spends 16 times more time each day consuming media and information online than reading newspapers and magazines.

¹ eMarketer aggregates more than 4,000 sources of digital marketing and media research and publishes objective analysis of internet market trends. For more than a decade, leading brands and agencies have relied on eMarketer as a recognized resource for data, analysis, and insights on digital marketing, media, and commerce. eMarketer clients include Google, General Motors, and Kimberly Clark. FRWD is also a client.

14. The data on the total percentage of the average U.S. adult's interaction with media are similar. Time online (mobile and traditional Internet) in 2010 made up 33.3% of the average person's total media consumption each day. In 2015 time online is now 44.6%. In 2010, time with newspapers and magazines combined for 8.2% of the average person's consumption, down from 10.8% in 2008.⁴ In 2015, time spent with newspapers and magazines is at 1.7%.

15. This shift in consumer consumption of media has led to widespread adoption of online advertising and a concurrent decline in reliance on print media. Industry-wide, this impact is evident from another eMarketer study. In the year 2000, advertisers spent a collective \$72.68 billion on magazine and newspaper advertising.⁵ In

⁴ *Id.*

⁵ ZenithOptimedia, Apr. 7, 2010; provided to eMarketer by StarcomMediaVest Group, June 1, 2010.

2005, this number increased to \$74.14 billion. It has since been on a significant and steady decline, totaling \$51.54 billion in 2009 and projecting to \$31.6 billion in 2015.⁶

16. Unsurprisingly, advertisers have shifted their expenditures to meet consumers where they are: online. In 2000, advertisers spent \$6.0 billion online. In 2005, that number increased to \$10.0 billion. In 2009, the amount dedicated to online advertising reached \$20.3 billion.⁷ In 2012, the amount dedicated to online advertising reached \$36.8 billion and is projected to reach \$52.5 billion in 2015.⁸

17. I have personally participated in this evolution from print to digital advertising and understand advantages that digital media tools offer. It is my opinion that using digital advertising in this Notice Plan offers an effective route to reach Settlement Class Members and inform them about the Settlement.

DEFINITION OF TARGET: AUDIENCE TARGETING AND VERIFICATION

18. Online advertising affords multiple options to reach and verify that the Settlement Class Members were exposed to the Notice. In the course of targeting, FRWD worked with Dahl to balance targeting and efficiency in reaching Settlement Class Members most effectively.

19. We have the ability to target individuals according to specific demographic and psychographic (lifestyle and interest) characteristics. This is done by focusing our notification advertising on specific websites (domains) which index highly against our core target. As indicated in Paragraph 6 above, this notification plan is focused primarily on a nationwide audience of core sweetener users. Leveraging industry leading digital tools such as comScore and Google, FRWD has selected hundreds of websites on which our audience visits at a rate of 50% greater than the typical Internet population. These custom lists are a best practice in consumer advertising and will further strengthen our ability to provide notice to Settlement Class Members in this plan. In this case, control of the websites that show the Notice, and where the Notice banner will appear on those websites, provides a higher likelihood of successfully exposing Settlement Class Members to the Notice.

20. A full list of specific website domains on our list of potential targets is included as Exhibit 4 to the Affidavit of Jeffrey D. Dahl.

21. In addition to selecting specific websites, we are leveraging Facebook Interest Targeting⁹ which provides the opportunity to reach Settlement Class Members based on information they have added to their Facebook timelines. This considers information such as the Facebook Pages they like, apps they use, and other information they have added to their timelines.

CONNECTION TO THE NOTICE WEBSITE

22. All digital communication in the form of web-based banners, social media digital notice advertisements, and keyword search ads will be connected to our notice website. This tactic will provide the ability to connect Settlement Class Members directly to online content providing greater detail on this Settlement. Specifically, our banner advertisements will list the Settlement website, and users who click on our banner advertisements will be routed directly to the Settlement website, where they will find information in greater detail. This combination of reaching our audience and connecting to greater detail via the Settlement website provides us with a comprehensive and effective approach to reaching Settlement Class Members.

23. In addition, FRWD will leverage Google Analytics¹⁰ (“GA”) on the Settlement website. By using GA, FRWD can showcase reporting on the engagement of the Settlement Class Members on our Settlement website. Specifically, GA will measure

⁹ Facebook, <https://www.facebook.com/help/131834970288134/>.

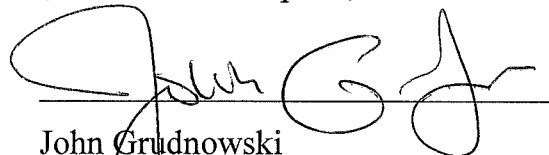

¹⁰ Google Analytics is a service offered by Google that generates detailed statistics about the visitors to a website. GA can track visitors from all referring websites, including search engines, display advertising, pay-per-click networks, email marketing, and other traffic sources.

the most highly trafficked content and the total number of Settlement Class Members performing specific actions, such as the number of visitors, the number of pages viewed, the time spent, and the number of documents downloaded by type.

CONCLUSION

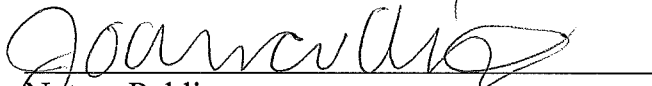

24. Based on my experience in designing and executing digital outreach and marketing plans, as well as industry best practices, it is my opinion that the digital media component of the Notice Plan will effectively reach Settlement Class Members.

I declare under penalty of perjury, that the foregoing is true and correct to the best of my knowledge. Executed this 07 day of October, 2015 in Minneapolis, Minnesota.

MINNEAPOLIS, <<DATE>> /PRNewswire/ -- Two plaintiffs have filed a lawsuit alleging that the use of the phrases “natural,” “all natural” and “100% natural” on packages of Cumberland Packing Corp.’s Stevia In The Raw Products is misleading. The plaintiffs have brought these claims on behalf of all consumers who purchased Stevia In The Raw brand Products containing these phrases in the United States between October 9, 2009 and July 1, 2014. Cumberland denies that these phrases are inaccurate or misleading. The parties recently entered into a settlement agreement to avoid burdensome and costly litigation. The settlement is not an admission of wrongdoing.

Am I affected by the Settlement? Your rights are affected by the Settlement, and you are entitled to obtain the benefits of the settlement agreement if you purchased at least one Stevia in the Raw brand Product containing the phrases “natural,” “all natural” or “100% natural” in the United States between October 9, 2009 and July 1, 2014 for household use or personal consumption and not for resale or distribution. If you meet these criteria, you are considered a member of the class of consumers on whose behalf the lawsuit is brought (“Class Member”) unless you request that you be excluded from the class. Anyone who is a board member, officer, or attorney of Cumberland may not participate in the Settlement.

What Can I Get From the Settlement? Class Members may be eligible to receive a cash payment of up to \$2 for each package of Stevia In The Raw Consumer brand Products they purchased during the designated time period, up to a maximum of 8 packages. The maximum potential payment is \$16 per household. Payments may be less than \$2 per package, depending on the number of claims approved. A detailed Class Notice and copies of the Claim Form are available at www.xxxxxxxxxxxxxxxxxx.com or by calling 1-8xx-xxx-xxxx.

What are My Options? To receive a cash payment, you must send in a Claim Form by [DATE]. If you do not wish to participate in the settlement, you may exclude yourself from the Class by [DATE]. The detailed notice available at www.xxxxxxxxxxxxxxxxxx.com or by calling 1-8xx-xxx-xxxx explains how to exclude yourself from the settlement. If you exclude yourself, you can’t get money from this settlement if it is approved. If you’re a Class Member, you may object to any part of the settlement you don’t like, and the Court will consider your views. Your objection must be timely, in writing and must provide documents to establish your membership in the Class. Procedures for submitting objections are set out in the detailed notice available at www.xxxxxxxxxxxxxxxxxx.com or by calling 1-8xx-xxx-xxxx.

The Court will hold a Final Fairness Hearing at ____ a.m./p.m. on _____ in _____, New York. At this hearing, the Court will consider whether the Settlement is fair, reasonable and adequate and whether to approve payments of up to \$3,500 to each of the two plaintiffs who

initially filed the lawsuit, and attorneys' fees and expenses up to \$450,000, and administrative and notice costs up to \$210,000. You may attend the hearing, and you may hire your own lawyer, but you are not required to do either. The Court will consider timely written objections and will listen to people who have made a prior written request to speak at the hearing. After the hearing, the Court will decide whether to approve the settlement.

This Escrow Agreement dated _____, is made among _____ (“Class Counsel”), _____ (“Defense Counsel”), and **THE HUNTINGTON NATIONAL BANK**, as escrow agent (“Escrow Agent”).

Recitals

A. This Escrow Agreement governs the deposit, investment and disbursement of the settlement funds that, pursuant to the Stipulation of Settlement (the “Settlement Agreement”) dated _____ attached hereto as Exhibit A, entered into by, among others, Class Counsel on behalf of the Lead Plaintiffs and Defense Counsel on behalf of the Defendant, will be paid to settle the class action captioned _____, pending in _____ (the “Court”).

B. Pursuant to the terms of the Settlement Agreement, the Defendant has agreed to pay or cause to be paid the total amount of _____ in cash (the “Settlement Amount”) in settlement of the claims brought against the Defendant in the Class Action.

C. The Settlement Amount, together with any interest accrued thereon, is to be deposited into escrow and used to satisfy payments to Authorized Claimants, payments for attorneys’ fees and expenses, payments for tax liabilities, and other costs pursuant to the terms of the Settlement Agreement.

D. Unless otherwise defined herein, all capitalized terms shall have the meaning ascribed to them in the Settlement Agreement.

Agreement

1. Appointment of Escrow Agent. The Escrow Agent is hereby appointed to receive, deposit and disburse the Settlement Amount upon the terms and conditions provided in this Escrow Agreement, the Settlement Agreement and any other exhibits or schedules later annexed hereto and made a part hereof.

2. The Escrow Account. The Escrow Agent shall establish and maintain an escrow account titled as _____ (the “Escrow Account”). Pursuant to the Settlement Agreement, the Defendant shall cause the Settlement Amount to be deposited into the Escrow Account within _____ days following entry of the Court’s order preliminarily approving the settlement. Escrow Agent shall receive the Settlement Amount into the Escrow Account; the Settlement Amount and all interest accrued thereon shall be referred to herein as the “Settlement Fund.” The Settlement Fund shall be held and invested on the terms and subject to the limitations set forth herein, and shall be released by Escrow Agent in accordance with the terms and conditions hereinafter set forth and set forth in the Settlement Agreement and in orders of the Court approving the disbursement of the Settlement Fund.

3. Investment of Settlement Fund. At the written direction of Class Counsel, Escrow Agent shall invest the Settlement Fund exclusively in instruments or accounts backed by the full faith and credit of the United States Government or fully insured by the United States Government or an agency thereof, including a U.S. Treasury Fund or a bank account that is either (a) fully insured by the Federal Deposit Insurance Corporation (“FDIC”) or (b) secured by instruments backed by the full faith and credit of the United States Government. The Escrow Agent shall reinvest the proceeds of these instruments as they mature in similar instruments at their then-current market rates. Defendants shall not bear any responsibility for or liability related to the investment of the Settlement Fund by the Escrow Agent.

4. Escrow Funds Subject to Jurisdiction of the Court. The Settlement Fund shall remain subject to the jurisdiction of the Court until such time as the Fund shall be distributed, pursuant to the Settlement Agreement and on further order(s) of the Court.

5. Tax Treatment & Report. The Settlement Fund shall be treated at all times as a “Qualified Settlement Fund” within the meaning of Treasury Regulation §1.468B-1. Class Counsel and, as required by law, the Defendant, shall jointly and timely make such elections as necessary or advisable to fulfill the requirements of such Treasury Regulation, including the “relation-back election” under Treas. Reg. § 1.468B-1(j)(2) if necessary to the earliest permitted date. For purposes of §468B of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the “administrator” of the Settlement Fund shall be Class Counsel. Class Counsel shall timely and properly prepare, deliver to all necessary parties for signature, and file all necessary documentation for any elections required under Treas. Reg. §1.468B-1. Class Counsel shall timely and properly prepare and file any informational and other tax returns necessary or advisable with respect to the Settlement Funds and the distributions and payments therefrom including without limitation the returns described in Treas. Reg. §1.468B-2(k), and to the extent applicable Treas. Reg. §1.468B-2(1).

6. Tax Payments of Settlement Fund. All Taxes with respect to the Settlement Fund, as more fully described in the Settlement Agreement, shall be treated as and considered to be a cost of administration of the Settlement Fund and the Escrow Agent shall timely pay such Taxes out of the Settlement Fund, as appropriate, without prior order of the Court, as directed by Class Counsel. Class Counsel shall be responsible for the timely and proper preparation and delivery of any necessary documentation for signature by all necessary parties, and the timely filing of all tax returns and other tax reports required by law. The Class Counsel may engage an accounting firm or tax preparer to assist in the preparation of any tax reports or the calculation of any tax payments due as set forth in Sections 5 and 6, and the expense of such assistance shall be paid from the Settlement Fund. The Settlement Fund shall indemnify and hold the Defendant harmless for any taxes that may be deemed to be payable by the Defendant by reason of the income earned on the Settlement Fund, and Escrow Agent shall establish such reserves as are necessary to cover the tax liabilities of the Settlement Fund and the indemnification obligations imposed by this paragraph. If the Settlement Fund is returned to the Defendant pursuant to the terms of the Settlement Agreement, the Defendant shall provide Escrow Agent with a properly completed Form W-9.

7. Disbursement Instructions

(a) Class Counsel may, without further order of the Court or authorization by the Defendant's Counsel, instruct Escrow Agent to disburse the funds necessary to pay Notice and Administration Expenses.

(b) Disbursements other than those described in paragraph 7(a), including disbursements for distribution of Class Settlement Funds, must be authorized by either (i) an order of the Court, or (ii) the written consent of _____ of Class Counsel and _____ of Defense Counsel.

(c) In the event funds transfer instructions are given (other than in writing at the time of execution of this Agreement), whether in writing, by facsimile, e-mail, telecopier or otherwise, Escrow Agent will seek confirmation of such instructions by telephone call back to the person or persons designated in subparagraphs (a) and (b) above only if it is reasonably necessary, and Escrow Agent may rely upon the confirmations of anyone purporting to be the person or persons so designated. It will not be reasonably necessary to seek confirmation if Escrow Agent receives written letters authorizing a disbursement from each of the law firms required in subparagraphs (a) and (b), as applicable, on their letterhead and signed by one of the persons designated in subparagraphs (a) and (b). To assure accuracy of the instructions it receives, Escrow Agent may record such call backs. If Escrow Agent is unable to verify the instructions, or is not satisfied with the verification it receives, it shall not execute the instruction until all issues have been resolved. The persons and telephone numbers for call backs may be validly changed only in a writing that (i) is signed by the party changing its notice designations, and (ii) is received and acknowledged by Escrow Agent. Class Counsel and Defense Counsel agree to notify Escrow Agent of any errors, delays or other problems within 30 days after receiving notification that a transaction has been executed. If it is determined that the transaction was delayed or erroneously executed as a result of Escrow Agent's error, Escrow Agent's sole obligation is to pay or refund the amount of such error and any amounts as may be required by applicable law. Any claim for interest payable will be at the then-published rate for United States Treasury Bills having a maturity of 91 days.

8. Termination of Settlement. If the Settlement Agreement terminates in accordance with its terms, Class Counsel and the Defendant shall jointly notify Escrow Agent of the termination of the Settlement Agreement. Upon such notification, the balance of the Settlement Fund, together with any interest earned thereon, less any Notice and Administration Expenses paid and actually incurred in accordance with the terms of the Settlement Agreement but not yet paid, and any unpaid Taxes due, as determined by Class Counsel and the Defendant, shall be returned to the Defendant in accordance with instruction from the Defendant's Counsel.

9. Fees. For all services rendered by Escrow Agent pursuant to this Escrow Agreement, Escrow Agent shall charge a flat fee of \$5,000. The escrow fee shall be waived if the fund is invested in an FDIC insured account. In the event that a portion of the Escrow

Account is invested in Treasury Bills, Escrow Agent shall charge an annualized fee of 0.03% (3 basis points) for Treasury Bill purchases. All fees and expenses of Escrow Agent shall be paid solely from the Settlement Fund. The Escrow Agent may pay itself such fees from the Settlement Fund only after such fees have been approved for payment by Class Counsel. If Escrow Agent is asked to provide additional services, such as the preparation and administration of payments to Authorized Claimants, a separate agreement and fee schedule will be entered into.

10. Duties, Liabilities and Rights of Escrow Agent. This Escrow Agreement sets forth all of the obligations of Escrow Agent, and no additional obligations shall be implied from the terms of this Escrow Agreement or any other agreement, instrument or document.

(a) Escrow Agent may act in reliance upon any instructions, notice, certification, demand, consent, authorization, receipt, power of attorney or other writing delivered to it by Class Counsel or Counsel for the Defendant, as provided herein, without being required to determine the authenticity or validity thereof or the correctness of any fact stated therein, the propriety or validity of the service thereof, or the jurisdiction of the court issuing any judgment or order. Escrow Agent may act in reliance upon any signature which is reasonably believed by it to be genuine, and may assume that such person has been properly authorized to do so.

(b) Escrow Agent may consult with legal counsel of its selection in the event of any dispute or question as to the meaning or construction of any of the provisions hereof or its duties hereunder, and it shall incur no liability and shall be fully protected to the extent Escrow Agent acts in accordance with the reasonable opinion and instructions of counsel. Escrow Agent shall have the right to reimburse itself for reasonable legal fees and reasonable and necessary disbursements and expenses actually incurred from the Escrow Account only (i) upon approval by Class Counsel and the Defendant or (ii) pursuant to an order of the Court.

(c) The Escrow Agent, or any of its affiliates, is authorized to manage, advise, or service any money market mutual funds in which any portion of the Settlement Fund may be invested.

(d) Escrow Agent is authorized to hold any treasuries held hereunder in its federal reserve account.

(e) Escrow Agent shall not bear any risks related to the investment of the Settlement Fund in accordance with the provisions of paragraph 3 of this Escrow Agreement. The Escrow Agent will be indemnified by the Settlement Fund, and held harmless against, any an all claims, suits, actions, proceedings, investigations, judgments, deficiencies, damages, settlements, liabilities and expenses (including reasonable legal fees and expenses of attorneys chosen by the Escrow Agent) as and when incurred, arising out of or based upon any act, omission, alleged act or alleged omission by the Escrow Agent or any other cause, in any case in connection with the acceptance of, or performance or non-performance by the Escrow Agent of, any of the Escrow Agent's duties under this Agreement, except as a result of the Escrow Agent's bad faith, willful misconduct or gross negligence.

(f) Upon distribution of all of the funds in the Escrow Account pursuant to the terms of this Escrow Agreement and any orders of the Court, Escrow Agent shall be relieved of any and all further obligations and released from any and all liability under this Escrow Agreement, except as otherwise specifically set forth herein.

11. Non-Assignability by Escrow Agent. Escrow Agent's rights, duties and obligations hereunder may not be assigned or assumed without the written consent of Class Counsel and the Defendant.

12. Resignation of Escrow Agent. Escrow Agent may, in its sole discretion, resign and terminate its position hereunder at any time following 120 days prior written notice to the parties to the Escrow Agreement herein. On the effective date of such resignation, Escrow Agent shall deliver this Escrow Agreement together with any and all related instruments or documents and all funds in the Escrow Account to the successor Escrow Agent, subject to this Escrow Agreement. If a successor Escrow Agent has not been appointed prior to the expiration of 120 days following the date of the notice of such resignation, then Escrow Agent may petition the Court for the appointment of a successor Escrow Agent, or other appropriate relief. Any such resulting appointment shall be binding upon all of the parties to this Escrow Agreement.
